PROFILE OF THE COLLEGE

Jamal Mohamed College was founded in 1951, as a religious minority institution with the primary objective of providing higher education to the downtrodden and socially backward sections of the society in general and Muslim minority in particular. Janab.N.M.Khajamian Rowther and Hajee M. Jamal Mohamed Sahib of late revered memory were the founding fathers of this institution.

The college is now a multi-faculty institution offering 23 UG courses, 21 PG courses, 17 M.Phil and 16 Ph.D Programmes. The college offers 16 UG, 14 PG, 17 M.Phil and 16 Ph.D Programmes for women empowerment. The college has now a total strength of 12,014 students including 4,784 women students, a dedicated team of 497 teaching and 221 non-teaching staff. But for the existence of this institution, thousands of aspiring youth would not have had the opportunity of acquiring higher education and settled in life in various covetable positions like IAS, IPS Officers, Doctors, Engineers, Computer Professionals, Scientists, Business Magnates and Industrialists.

We pray to the Almighty Allah to reward Janab.N.M.Khajamian Rowther and Alhaj M.Jamal Mohamed Sahib of late revered memory, the noble founders of this great institution with heavenly abode with all His Blessings. We, on this auspicious occasion are bound to remember with gratitude all the successive members of the College Management and Principals whose wisdom and selfless service raised the stature of this great institution to greater heights.

LIFE SKILLS TRAINING PROGRAMME

In an era when education becomes a business and more of a commercial commodity, Jamal Mohamed College focuses on life oriented education stressing the importance of values. Our College Management along with its dynamic Administrative body have always stood for character building first and then knowledge imparting. They have always been insisting upon the holistic development of every student here, and this is the reason the college has made it mandatory that all of its students learn Deeniyyath and Moral education. It is befitting, the Department of Moral Education is bestowed with the responsibility of organizing a two day training programme on Smart Life Skills.

To this effect a special lecture programme on the life skills was organized to benefit all the first year undergraduate students on **8th** and **9th January 2019** in the N.B. Abdul Gafoor Auditorium. On the first day, at the Inaugural session, **Dr. I. Joseph A. Jerald**, Associate Professor and Head of Moral Science Department gave a briefing for the rationale and need of the programme. **Dr. S. Ismail Mohideen**, Principal welcomed the participants and delivered the presidential address. **Dr. A.K. Khaja Nazeemudeen**, Secretary & Correspondent and **Hajee M.J. Jamal Mohamed**, Treasurer of the College Management Committee offered felicitations.

Dr. I. Mario Jegan fondly known as Ilaya Abdul Kalam, the motivational trainer was the resource person from “Fynn soft success solutions”, Madurai who handled all the four sessions (two each for men students during forenoon and two for women students during afternoon) on the scheduled dates. The resource person’s enormous resourcefulness, skillful ability and mass counseling experience along with the terrific power point presentation ably operated by his sound engineer Mr. Sam touched and won the heart of every listener.

The sessions were very enlightening and inspirational to all our young Jamalians. The video clippings and animations chosen for portrayal were most appropriate and encaptivating young minds. A few film songs chosen for background music were so classic to the situation. His reverential, highlight on the role of parents, teachers and elders quoted by him is really worth mentioning. Towards the end of his sessions, the time for introspection of their conscience he allotted and led all our students truly melted their hearts so much so; many came out emotionally bursting out in tears at the feedback and submitted for restarting their youthful days as good and noble children/wards to their parents and teachers. Of course during the course of the session there was roaring laughter, thunderous applause, jubilant jump and rejuvenating response from our students and the talk was very interesting to them all. The examples and anecdotes cited by Dr. I. Mario Jegan were greatly impressive so much so many students came thronging to him after the session to have a selfie with him as their role model motivator.

Our esteemed College Management Committee and also the administration should be acknowledged to have been so prudent in inviting this person for this eventful programme for the **8th** consecutive year. I wish the legacy continues in the future years as well.

I thank our magnanimous Management Committee members **Dr. A.K. Khaja Nazeemudeen**, Secretary and Correspondent, **Hajee M.J. Jamal Mohamed**, Treasurer, **Dr. K. Abdus Samad**, Assistant Secretary and our vibrant Administrators **Dr. S. Ismail Mohideen**, Principal, **Dr. A. Mohamed Ibraheem**, Vice-Principal, **Dr. M. Mohamed**

Sihabudeen, Additional Vice-Principal, **Dr. K.N. Abdul Kader Nihal**, Director & Bursar (SF), **Dr. K.N. Mohamed Fazil**, Director-Hostel Administration, **Prof. M.A. Jamal Mohamed Yaseen Zubeir**, Director-Hostel Administration & Registrar of Attendance (SF) and **Ms. J. Hajira Fathima**, Director-Hostel Administration (Women) for all their support and encouragement.

STUDENTS HEALTH CARE

Health Care aims to promote health seeking behaviour in long term and thus, this care majorly enables Awareness regarding common Ailments, Nutrition and Hygiene and Sanitation. The Camps on Health Care provide necessary Health Services at free of cost to our students.

These are specialized camps that offer integrated multi-disciplinary healthcare services including Investigative and Surgical Interventions by a dedicated Medical Expert. These camps provide Free Diagnosis and Medicines and also a wide range of Medical Services to student communities.

One of the aspects of personality of students is Health rather than appearance and hence, Students Health Care is given much importance in our campus. A healthy body supports a mind to achieve heights in life. With this view in mind, a Health Care Centre has been established in our campus to care for the health status of all students of our College. Here, the students are given Medical as well as Psychological Counselling. All health related and age concerned queries of our students are cleared by this centre.

PROFILE OF THE COLLEGE

Jamal Mohamed College was founded in 1951, as a religious minority institution with the primary objective of providing higher education to the downtrodden and socially backward sections of the society in general and Muslim minority in particular. Janab.N.M.Khajamian Rowther and Hajee M. Jamal Mohamed Sahib of late revered memory were the founding fathers of this institution.

The college is now a multi-faculty institution offering 23 UG courses, 21 PG courses, 17 M.Phil and 16 Ph.D Programmes. The college offers 16 UG, 14 PG, 17 M.Phil and 16 Ph.D Programmes for women empowerment. The college has now a total strength of 12,014 students including 4,784 women students, a dedicated team of 497 teaching and 221 non-teaching staff. But for the existence of this institution, thousands of aspiring youth would not have had the opportunity of acquiring higher education and settled in life in various covetable positions like IAS, IPS Officers, Doctors, Engineers, Computer Professionals, Scientists, Business Magnates and Industrialists.

We pray to the Almighty Allah to reward Janab.N.M.Khajamian Rowther and Alhaj M.Jamal Mohamed Sahib of late revered memory, the noble founders of this great institution with heavenly abode with all His Blessings. We, on this auspicious occasion are bound to remember with gratitude all the successive members of the College Management and Principals whose wisdom and selfless service raised the stature of this great institution to greater heights.

LIFE SKILLS TRAINING PROGRAMME

In an era when education becomes a business and more of a commercial commodity, Jamal Mohamed College focuses on life oriented education stressing the importance of values. Our College Management along with its dynamic Administrative body have always stood for character building first and then knowledge imparting. They have always been insisting upon the holistic development of every student here, and this is the reason the college has made it mandatory that all of its students learn Deeniyyath and Moral education. It is befitting, the Department of Moral Education is bestowed with the responsibility of organizing a two day training programme on Smart Life Skills.

To this effect a special lecture programme on the life skills was organized to benefit all the first year undergraduate students on 8th and 9th **January 2019** in the N.B. Abdul Gafoor Auditorium. On the first day, at the Inaugural session, **Dr. I. Joseph A. Jerald**, Associate Professor and Head of Moral Science Department gave a briefing for the rationale and need of the programme. **Dr. S. Ismail Mohideen**, Principal welcomed the participants and delivered the presidential address. **Dr. A.K. Khaja Nazeemudeen**, Secretary & Correspondent and **Hajee M.J. Jamal Mohamed**, Treasurer of the College Management Committee offered felicitations.

Dr. I. Mario Jegan fondly known as Ilaya Abdul Kalam, the motivational trainer was the resource person from “Fynn soft success solutions”, Madurai who handled all the four sessions (two each for men students during forenoon and two for women students during afternoon) on the scheduled dates. The resource person’s enormous resourcefulness, skillful ability and mass counseling experience along with the terrific power point presentation ably operated by his sound engineer Mr. Sam touched and won the heart of every listener.

The sessions were very enlightening and inspirational to all our young Jamalians. The video clippings and animations chosen for portrayal were most appropriate and encaptivating young minds. A few film songs chosen for background music were so classic to the situation. His reverential, highlight on the role of parents, teachers and elders quoted by him is really worth mentioning. Towards the end of his sessions, the time for introspection of their conscience he allotted and led all our students truly melted their hearts so much so; many came out emotionally bursting out in tears at the feedback and submitted for restarting their youthful days as good and noble children/wards to their parents and teachers. Of course during the course of the session there was roaring laughter, thunderous applause, jubilant

jump and rejuvenating response from our students and the talk was very interesting to them all. The examples and anecdotes cited by Dr. I. Mario Jegan were greatly impressive so much so many students came thronging to him after the session to have a selfie with him as their role model motivator.

Our esteemed College Management Committee and also the administration should be acknowledged to have been so prudent in inviting this person for this eventful programme for the 8th consecutive year. I wish the legacy continues in the future years as well.

I thank our magnanimous Management Committee members **Dr. A.K. Khaja Nazeemudeen**, Secretary and Correspondent, **Hajee M.J. Jamal Mohamed**, Treasurer, **Dr. K. Abdus Samad**, Assistant Secretary and our vibrant Administrators **Dr. S. Ismail Mohideen**, Principal, **Dr. A. Mohamed Ibraheem**, Vice-Principal, **Dr. M. Mohamed Sihabudeen**, Additional Vice-Principal, **Dr. K.N. Abdul Kader Nihal**, Director & Bursar (SF), **Dr. K.N. Mohamed Fazil**, Director-Hostel Administration, **Prof. M.A. Jamal Mohamed Yaseen Zubeir**, Director-Hostel Administration & Registrar of Attendance (SF) and **Ms. J. Hajira Fathima**, Director-Hostel Administration (Women) for all their support and encouragement.

Special thanks to **Dr. M. Syed Ali Padusha**, Associate Professor of Chemistry, who was instrumental in arranging for such Skill and Motivational programme during the yester years. Our thanks are also due to **Dr. N. Mujafarkani**, Assistant Professor of Chemistry, for all the background assistance and in preparation of this report in a good form.

STUDENTS HEALTH CARE

Health Care aims to promote health seeking behaviour in long term and thus, this care majorly enables Awareness regarding common Ailments, Nutrition and Hygiene and Sanitation. The Camps on Health Care provide necessary Health Services at free of cost to our students.

These are specialized camps that offer integrated multi-disciplinary healthcare services including Investigative and Surgical Interventions by a dedicated Medical Expert. These camps provide Free Diagnosis and Medicines and also a wide range of Medical Services to student communities.

One of the aspects of personality of students is Health rather than appearance and hence, Students Health Care is given much importance in our campus. A healthy body supports a mind to achieve heights in life. With this view in mind, a Health Care Centre has been established in our campus to care for the health status of all students of our College. Here, the students are given Medical as well as Psychological Counselling. All health related and age concerned queries of our students are cleared by this centre.

Medical Inspection Camp for all the first UG and PG students of Men and Women is conducted in our College, as a regular feature, for the year 2018–19 under which 3,418 students underwent Medical Checkup and their ailments were diagnosed and prescribed with necessary medicines and also advised medical care and supervision. First Aid Kit is readily available at the College Health Centre for Emergency use.

Our College Management has been very magnanimous to bear all the excess expenditure incurred in connection with the Annual Medical Inspection Camps, Blood Donation Camps, Blood Grouping Camps, Polio Vaccination Camps and so on. We are very much Grateful to our College Management Committee and Principal for all support and encouragement extended to us.

I thank **Dr. K. Khaja Mohideen and Dr. J. Sebastin Raj** for their good work.
