ACTION TAKEN REPORT FOR THE YEAR 2021-2022

Plan of Action	Achievements / Outcomes
Establish an Astronomy Laboratory for the benefit of staff and students of in the departments of Physics and other allied disciplines to pursue research in the field of Astronomy.	An astronomy laboratory, Jamal Astro Lab, named in honour of our founder secretary, a hobbyist astronomer, was set up in the Department of Physics and was inaugurated on 25ᵗʰ February, 2023 and many programmes such as hands-on training for the construction of telescopes, night sky observations conducted.
To carry out research in vaccines, keeping in view the crucial role they play in the control of epidemics and infectious diseases by entering into collaboration with a reputed institute well known in this field.	The college entered into an MOU with the Emory Vaccine Centre, Atlanta, USA to carry out Vaccine related research.
Further to sign MOUs with other reputed institutions for increasing the quality of teaching and research in the college.	During the year the college has signed 14 other MoUs with academic institutions and industries to enhance research and increase opportunities for internship for our students.
Conduct an External Academic and Administrative Audit for the period 2018-2022.	An External Academic and Administrative Audit for the period 2018-2022 was conducted on 27ᵗʰ August, 2022 by inviting experts from sister institutions and the Bharathidasan University.
Implement the RFID system in the College Library for recording access to the library, facilitate ease of access to books and journals by the staff and students.	An RFID system was installed in the College Library during the year 2022-2023.
Enhance the digital library facilities both in the college and hostel premises.	The digital library facilities both in the college and hostel premises were also augmented by the addition of desktop computers, providing remote login access, increasing internet bandwidth WiFi connectivity in the campus and hostels.

Participate in the NIRF and ARIA Ranking frameworks conducted by the MHRD, Government of India.	Prepared and uploaded data to the NIRF during November 2022 and uploaded data to the ARIIA on 13th October, 2022.
Conduct Energy, Environment and Green Audits for the college and the hostels.	The Green Energy and Environment Audit for the college and hostels for the year 2021-2022 was carried out during January, 2022.
