## **REPORT ON THE WORKSHOP**

The Curriculum Development Cell organised a Faculty Development Workshop on **Outcome Based Education** on 07<sup>th</sup> January 2023 in the Commerce Gallery.

The Programme commenced with the invocation by Mr. Ahamed Shahul Hameed, Assistant Professor of Arabic. Dr. T. Abdul Razak, Coordinator of CDC welcomed the gathering. Dr. A. Mohamed Ibraheem, Vice-Principal presided over the function. Dr. A. K. Khaja Nazeemudeen, Secretary & Correspondent offered felicitations.

Dr. N. Senthil Kumar, Head, Centre for Research and P.G. Studies in Botany, Ayya Nadar Janaki Ammal College, Sivakasi spoke on the relevance of OBE in Arts and Science education. In his talk, the resource person highlighted about the outcome based education, benefits of OBE for the students, the importance of OBE in the quality enhancement of higher education and the knowledge levels for assessment of outcomes based on Bloom's Taxonomy.

Dr. T. Sugumaran, Associate Professor of Chemistry, Ayya Nadar Janaki Ammal College, Sivakasi delivered a talk on evaluation of attainments of COs and POs in OBE curriculum. His lecture focused on the direct and indirect measures for assessing the attainment of COs and POs.

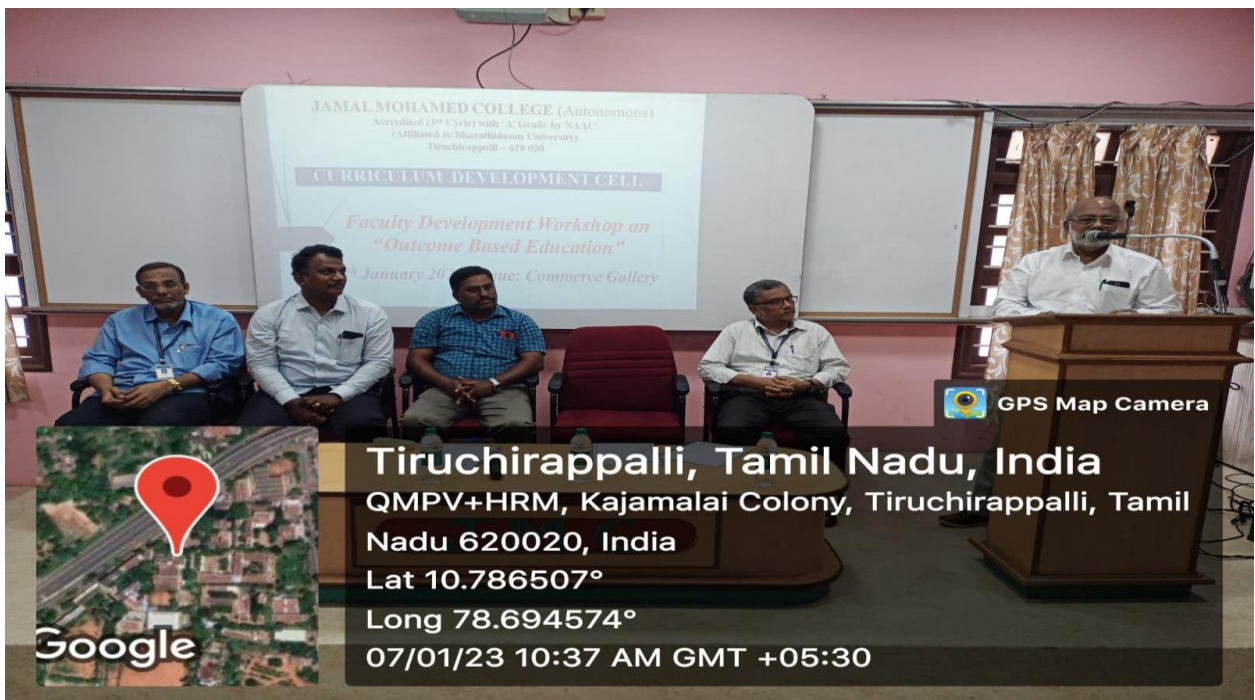

Dr. M. Syed Ali Padusha, Deputy Coordinator - CDC proposed a vote of thanks. Around 76 faculty members belonging to different departments attended the programme and derived benefits. The Programme was convened by Dr. T. Abdul Razak, Coordinator, Curriculum Development Cell.

### **Outcomes of the Workshop:**

1. The knowledge gained by the faculty members from the workshop helped them in a big way to use LOCF in framing the syllabi for all the programmes offered in their respective departments.
2. The team of CDC members visited a few colleges to study the strategies followed in these institutions for implement their curriculum based on LOCF.
3. An effective strategy has been developed by the CDC to calculate the attainment of course outcomes and programme outcomes for the UG and PG programmes from the year 2023-2024 onwards.
4. A new question paper pattern has been introduced to facilitate the calculating of the attainment of the course outcomes based on the different cognitive levels achieved by the students.
5. In order to implement the revised curriculum for the academic year 2023-2024 onwards, Internal and External Boards of study were held to frame the revised course structures for all the programmes. The first year syllabi of all the programmes were also revised and finalized.
