OUTCOMES

The resource person Dr. P. Sumathy, spoke on Meta learning. The students were able to understand that Meta learning is a sub-field of Machine Learning where automatic learning algorithms are applied to Meta data. They have learnt that Meta learning can be used for different Machine Learning models. They have understood that Meta learning is “Learning to Learn” and is used to improve the results and performance of a learning algorithm based on experimental research.

Staff members with the resource person, Dr. E. G. Rajan.

REPORT OF THE PROGRAMME

A special lecture was conducted by the recipient of Distinguished Alumnus Award of our college, Dr. E. G. Rajan, B.Sc., DMIT., ME., Ph.D., FIE, professor of Signal Processing, President, Pentagram Research Center Pvt. Ltd, India, on **SYMBOLIC COMPUTING-SIGNAL AND IMAGE PROCESSING** on 14th September 2022.

The inaugural address was delivered by Dr. D. I. George Amalarethnam, Bursar, Director of M.C.A., Coordinator of Department of Computer Applications, and Coordinator of IQAC. Sir also introduced the resource person. Our respected Principal, Dr. S. Ismail Mohideen delivered the presidential address. Our honourable Secretary and Correspondent, Dr. A. K. Khaja Nazeemudeen Sahib felicitated the gathering. Our revered Treasurer, Hajee Janab M. J. Jamal Mohamed sahib also offered his felicitations.

The resource person explained in detail about the Symbolic Computing – Signal and Image Processing starting from the fundamental concepts. He had taken keen interest in the welfare of the youth. Along with special lecture he also encouraged the audience to concentrate on research in their respective area of interest. The audience listened to him in rapt attention. Many members of the audience, both the staff and the students came up with many doubts, which were very patiently cleared by the resource person. The students expressed their gratitude to the resource person for the clear and lucid explanation of the concepts.

The vote of thanks was proposed by Ms. Khairunnisa, Assistant Professor, Department of Computer Applications.

REPORT OF THE PROGRAMME

The resource person, Mr. Mohamed Faize Basha, Assistant Professor, Department of Computer Application had delivered a special lecture on the topic “**Developing Self-Motivation**” on 09-Feb-2023. He had enlightened the students with his ‘Mantras’ and motivated the students to view life in another perspective. He conducted many interactive games and made the session livelier. The students were immensely motivated by his lecture and gave their positive feedback. Students were stimulated to think out of box and grab the opportunities to excel in life.

OUTCOMES

The resource person had effectively explained about the challenges that would be faced by freshers, especially the women students. As a result of the special lecture many students had clarified their doubts regarding the life in corporate sector. As many of the students had been placed in various companies this lecture program helped them to get a first-hand account of corporate life.

OUTCOMES

The resource person had effectively explained about the challenges that would be faced by freshers, especially the women students. As a result of the special lecture many students had clarified their doubts regarding the life in corporate sector. As many of the students had been placed in various companies this lecture program helped them to get a first-hand account of corporate life.
