WHY VEDIC MATHEMATICS

- It helps to solve mathematical problems 10-15 times faster
- It helps Intelligent Guessing
- It reduces burden
- It is a magical tool to reduce scratch work and finger counting
- It increases concentration.
- It helps in red

**REPORT OF THE SCIENCE ACADEMIES' VIRTUAL LECTURE
WORKSHOP ON “DIFFERENTIAL EQUATIONS AND ITS APPLICATION”**

BRIEF REPORT OF THE SCIENCE ACADEMIES' VIRTUAL LECTURE WORKSHOP ON "DIFFERENTIAL EQUATIONS AND ITS APPLICATION"

A two day SCIENCE ACADEMIES' VIRTUAL LECTURE WORKSHOP ON "DIFFERENTIAL EQUATIONS AND ITS APPLICATION" was held in PG & Research Department of Mathematics, Jamal Mohamed College, Tiruchirappalli-20 on 21st & 22nd December 2021. The Lecture workshop was sponsored by the Science Academies, Indian Academy of Science (IASc) Bengaluru, Indian National Science Academy (INSA), and National Academy of Science (NASI) New Delhi. **The Lecture workshop was organized by Dr. Satyajit Roy, F.N.A.Sc, Professor, Department of Mathematics, Indian Institute of Technology Madras, Chennai was the convenor.** Dr. A.Prasanna, Assistant Professor, PG & Research Department of Mathematics, Jamal Mohamed College, Tiruchirappalli-20 was coordinator of this programme.

About the Workshop

The study of differential equations is a wide field in pure and applied mathematics, physics, and engineering. All of these disciplines are concerned with the properties of differential equations of various types. Pure mathematics focuses on the existence and uniqueness of solutions, while applied mathematics emphasizes the rigorous justification of the methods for approximating solutions. Differential equations play an important role in modeling virtually every physical, technical, or biological process, from celestial motion, to bridge design, to interactions between neurons. Differential equations such as those used to solve real-life problems may not necessarily be directly solvable, i.e. do not have closed form solutions. Instead, solutions can be approximated using numerical methods. Many fundamental laws of physics and chemistry can be formulated as differential equations. In biology and economics, differential equations are used to model the behaviour of complex systems. The mathematical theory of differential equations first developed together with the sciences where the equations had originated and where the results found application. However, diverse problems, sometimes originating in quite distinct scientific fields, may give rise to identical differential equations. Whenever this happens, mathematical theory behind the equations can be viewed as a unifying principle behind diverse phenomena.

Organizing this type of lecture workshop with highly accomplished experts to discuss scientific advances in their chosen fields will also enhance the interest of students to pursue higher studies and research.

A total of 4 lectures were delivered by resource persons. 244 participants from various colleges participated in the workshop by online. Following resource persons gave lectures during the lecture workshop.

1. Prof. R. Sahadevan

Former Director and Head

Former UGC Emeritus Fellow

The two days lecture workshop was inaugurated by Dr. Satyajit Roy at 9.30 am on 21.12.2021 Through Zoom Meet, Dr.R.Jahir Hussain, HOD (i/c) of Mathematics, Jamal Mohamed College welcomed the gathering. Dr. S. Ismail Mohideen, Principal, Jamal Mohamed College was delivered the Presidential Address. Jamal Mohamed College Management Committee Secretary and Correspondent Dr.A.K.Khaja Nazeemudeen. Assistant Secretary Dr.K.Abdus Samad and Hon. Director Dr. K.N.Abdul Kader Nihal were also joined in this Meeting. Dr. Satyajit Roy Convenor of this workshop gave introductory speech and mentioned the objectives of the lecture workshop. He also explained the various activities of Science Academies'. Dr. S. Ismail Mohideen in his Presidential address thanked the Science academies' for conducting the workshop at Jamal Mohamed College. Finally Dr. A.Nagoorgani, Associate Professor of Mathematics, Jamal Mohamed College Proposed vote of thanks.

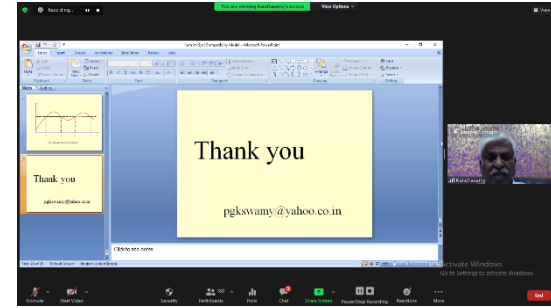

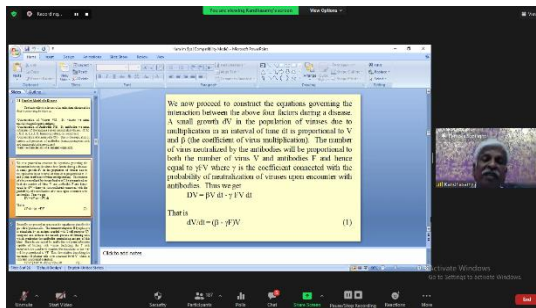

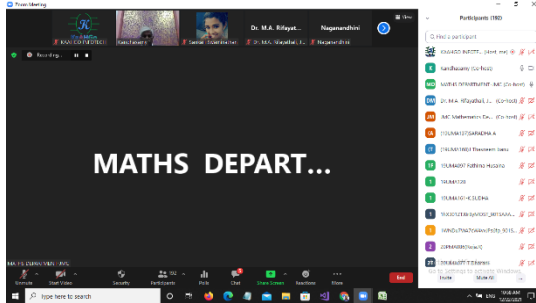

On 21.12.2021, First lecture was give Dr. Satyajit Roy on Linearization Technique for nonlinear BVPs and Applications to Fluid flow problems between 10.35 am and 1.05 pm.

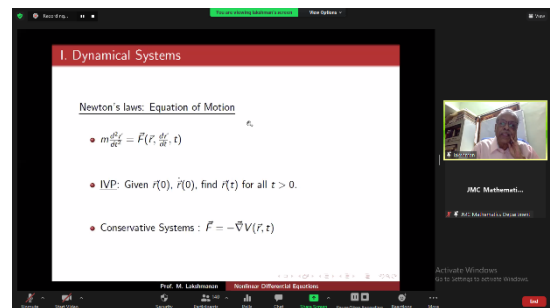

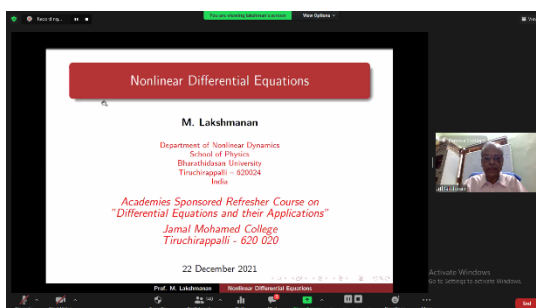

On 21.12.2021, Second session was taken by Prof. R. Sahadevan on “Partial Differential Equations and their applications” between 2.20 pm – 5.05 pm. Earlier Dr.U. Abuthahir, Assistant Professor in Mathematics welcomed the Resource person. Finally, Dr.M.A. Rifayathali, Assistant Professor in Mathematics proposed vote of thanks.

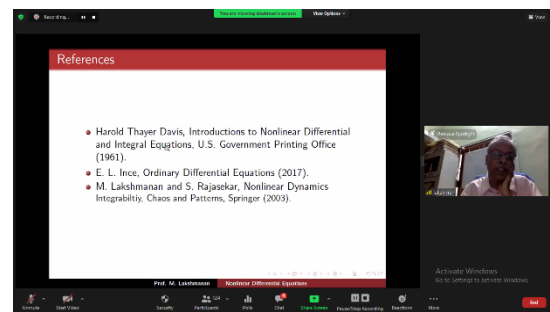

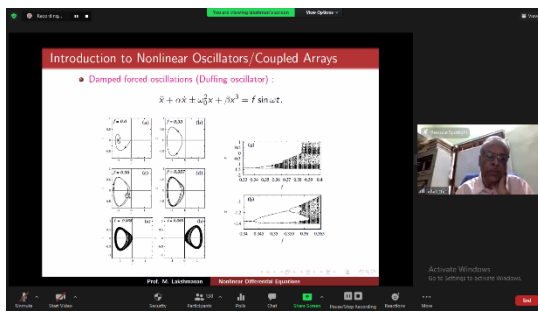

On 22.12.2021, Third lecture was given in the forenoon session by Dr. P. Kandaswamy on Applications of Linear Differential Equations between 10.30 am – 12.45 pm. Earlier Dr.M.Mohammed Jabarulla, Assistant Professor in Mathematics welcomed the Resource person. Finally, Dr.S.Mohamed Yusuff Ansari, Assistant Professor in Mathematics proposed vote of thanks.

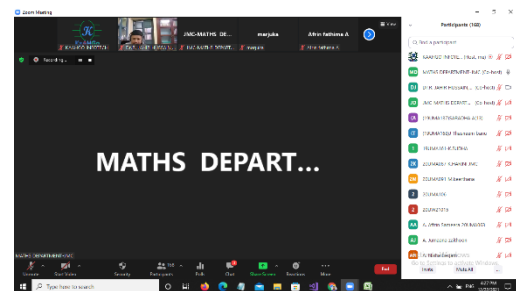

On 22.12.2021, Prof. M. Lakshmanan gave fourth lecture 'Nonlinear Differential Equations" 2.00 pm to 4.45 pm. Earlier Dr.P. Murugannatham, Assistant Professor in Mathematics welcomed the Resource person. Finally, Mr.N.Mohamed Thoiyab, Assistant Professor in Mathematics proposed vote of thanks.

On 22.12.2021, The valedictory address was given by Dr. P. Kandaswamy, Professor & Head (Rtd.), Bharathiar University, Coimbatore. He thanked the National Science Academies' for conducting such a grand workshop. In the feedback session, the young and energetic participants expressed their views about the Lecture workshop. They appreciated the lectures delivered by resource persons and the good virtual arrangements made by the Jamal Mohamed College. Dr. A.Prasanna, Coordinator of the program presented the report of the programme. At the end Mr. S.Masoothu, Associate Professor of Mathematics, Jamal Mohamed College delivered vote of thanks. He especially thanked, convenor Dr. Satyajit Roy and all the resource persons for the successful completion Lecture workshop. Earlier Dr.A.Mohamed Ismayil, Associate Professor of Mathematics, Jamal Mohamed College welcomed the gathering.

About Science Academies

Indian Academy of Sciences (IAS), Bangalore founded in 1934 by Sir C.V. Raman, aims at promoting the progress and upholding the cause of science in the pure and applied branches. Its major activities include publication of scientific journals and special volumes, organizing meetings of the Fellowship and discussions on important topics, recognizing scientific talent, improvement of science education, and taking up other issues of concern to the scientific community. As part of the science education programmes, the Indian Academy of Sciences, Bangalore in association with the Indian National Science Academy (INSA), New Delhi and Indian National Academy of Sciences (INAS), Allahabad organize programmes for the improvement of science education in the Universities and Colleges throughout the country.

The Science Academies have been supporting two/three-day lecture workshops and fifteen-day refresher courses on topics of current interest throughout the country. All the programmes conducted by the Joint Science Education Panel of the Academies are fully supported by the Department of Science and Technology, Govt. DST has undertaken a series of activities to mark 75 years of India's Independence (Azadika Amrut Mahotsav). The Mahotsav is a series of S&T programmes and events to be organised to commemorate the 75th anniversary of India's Independence. The curtain raiser activities began from 12 March, 75 weeks prior to 15 August 2022. The lecture workshops/ refresher courses are part of the series in these programmes. The Academy will also organize periodic lectures by eminent scientists. These programs will be adequately expanded in the celebration of the 75 years of Indian Independence.

About the Institution

Jamal Mohamed College was founded in 1951, as an affiliated college to the University of Madras and then affiliated to Bharathidasan University, Tiruchirappalli, when it was formed in 1982. Jamal Mohamed College is situated in the central part of Tamil Nadu, Tiruchirappalli city. It was established as a religious minority institution with the primary objective of providing higher education to the downtrodden and socially backward section of the society in general and Muslim minority in particular.

The college is administered by the Society of Jamal Mohamed College. It is established in a sprawling land area of 87 acres, as a religious minority institution. Hajee M. Jamal Mohamed Sahib and Janab N.M. Khajamian Rowther, of revered memory, were the founding fathers of this institution.

In the year 1957 the college got the single honor of being bracketed with the thirty best colleges in India when Danforth Foundation of USA selected the college for the award of study fellowships in U.S.A. In 1963 the college was elevated to the status of a post-graduate college.

In the year 1972, the college was recognized by UGC New Delhi, for the purposes of Grants under section 2(F) and 12(B) of the University Grants Commission Act 1956. In 1977, on the recommendation of the University of Madras, the UGC recognized the college as one of the ten "Lead colleges" in the university area.

The College was accredited at Five Star Level by NAAC during 2002 and conferred with Autonomous Status by UGC, New Delhi and Bharathidasan University in 2004-2005. In January 2009, the College was accredited by NAAC with A-Grade (2nd Cycle) - CGPA 3.6 out of 4.0. Our College was bestowed with the unique honour of "CPE" status Phase-I and Phase-II by the University Grants Commission under the Scheme "Colleges with Potential for Excellence" in 2011 and 2016 respectively. We retained the 'A' Grade awarded by NAAC during the third cycle of accreditation in 2015.

The college has obtained the prestigious 65th rank among Top ranking institutions in NIRF Rankings - 2021. It is remarkable to state that the college has been recognized with Three Star status by the Institutions Innovation Council (IIC), MHRD innovation cell, Government of India in 2019. Department of Science and Technology (DST), Government of India has accorded FIST Scheme to the Departments of Zoology, Botany and Physics in 2004 and to the Department of Mathematics in 2008. Again DST FIST Scheme has been extended to the Departments of Mathematics, Physics, Botany, Zoology and Computer Science in 2019. Five Science Departments such as Mathematics, Physics, Chemistry, Botany and Zoology have been short-listed after a meritorious presentation, among many competing institutions and awarded the Star College Scheme by the Department of Bio Technology (DBT) in 2020.

Over a period of 70 years the college was able to scale greater heights and raise to the present status as a multi-faculty institution with 25 UG and 21 PG courses. 18 departments of the college are functioning with the status of approved research centres. The college has a strength of around 12000 students. There are 145 Government Aided teaching faculty and 357 staff members are working under the self finance stream. The college celebrated its silver Jubilee in 1971, subsequently the Golden Jubilee and Diamond Jubilee in 2001 and 2011 respectively.

With many milestone achievements, the College has been marching towards fulfilling marvelous plans, matching the vision and mission of our noble founders and the present Management Committee Members. "The Jamal" journey continues with all gentle Jamalians for still more greater heights of glory in higher education.

About the Department

The Department of Mathematics of Jamal Mohamed College, was started as one of the earliest department in the year 1951. B.Sc., and M.Sc Mathematics programmes were started in 1957 and 1963 respectively. The Department was elevated into a research department in the year 2002 by offering M.Phil(FulTime& Part-Time) and Ph.D (Full-Time & Part-Time) programmes. B.Sc Mathematics (Self-Financing Section) was started for women in 2003. M.Sc Mathematics (Self-Financing Section) was started for women and men in 2005 and 2010 respectively. In the year 2008, the Department was identified for the award of FIST – Grant by the Ministry of Science and Technology of Government of India. The Department has highly qualified faculty members actively engaged in teaching, research, continuing education programmes and consultancy. The members of the Department have written 10 books, 91 research scholars were awarded Ph.D degrees, published more than 670 research papers in National and International journals and presented many research papers in National and International Conferences.

Department of Mathematics has organised **National Voters Day** Celebration on 25-01-2022 at college premises. The objective of the program was to inculcate constitutional obligations among staff, to create awareness about Universal Franchise, to sensitise the students about importance of voting. The purpose of the celebration is to inculcate constitutional obligations and to encourage staff to franchise their vote. Dr. R.Jahir Hussain read the voter's day pledge and helped the staff to take pledge. The outcome of the program was staff understood the importance of right to vote and 74 staff were took constitution day oath.

Board of Studies (Internal) Meeting on 09.03.2022 at 11.30 a.m. at Mathematics Seminar Hall to finalize the Value Added Courses to the II UG, III UG and II PG Students admitted during the Academic year 2021-22.

P.G & Research Department of Mathematics, Jamal Mohamed College, Tiruchirappalli was organized the JAMATICS 2022, a National level intercollegiate Meet on 11.05.2022. Dr. S. Ismail Mohideen Principal delivered the Presidential Address. College Secretary & Correspondent Dr. A. K. Khaja Nazeemudeen and Hajee. M. J. Jamal Mohamed, Treasurer gave the winner Shield to Lady Doak College, Madurai team and Runner Shield to Naina Mohamed College, Aranthangi. Padma Shri S. Damodaran, Founder-CEO, Gramalaya, Trichirappalli delivered the Valedictory Address. Prizes and Certificates were distributed to the college students who emerged Winners and Runners in the events Math Quiz, Math Fun, Math Model, Paper Presentation and Rangoli. 176 students from various colleges participated in this Intercollegiate Meet.

The Young Student Scientist Program 2022 was jointly organised by Tamil Nadu State Council for Science & Technology and Jamal Mohamed College, Tiruchirappalli from 16-05-2022 to 31-05-2022.

We conducted the inaugural function on 16.05.2022 the Chief guest of this programme was Professor Sulthan Ahmed Ismail. Dr. R. Jahir Hussain HOD(i/c) Department of Mathematics, delivered the welcome address, Our Honourable Principal Dr. S. Ismail Mohideen proposed the presidential address, then our honourable chief guest Professor Sulthan Ahmed Ismail delivered the Special Address. Our College Treasurer Hajee M.J. Jamal Mohamed felicitated the gathering and Finally Myself Dr. A. Nagoor Gani proposed the Vote of Thanks.

On Forenoon Session of 17.05.2022 (Tuesday) Mr. J. Umar Malik Professor of Department of Physics gave a special lecture on **“Optics and its Colours”**. In the noon Session the Students attended the Physics Practical.

Second Day on 18.05.2022 (Wednesday) Dr. M. Syed Ali Padusha Professor of Department of Chemistry gave a special lecture on **“Domestic Products Preparation”**. In the noon the students attended the Chemistry Practical.

Dr. M. GhouseBasha and Dr. B. Balaguru Professors of Department of Botany gave a special lecture on **“Joyful Science”**. In the noon session the students attended the Botany Practical on 19.05.2022

On Forenoon Session of 20.05.2022 (Friday) Ms. D. Bhuvaneshwari Professor of Department of Nutrition and Dietetics and Mr. K.G. Rajan Professor of Department of Hotel Management gave a special lecture on **“Domestic Products Preparation”**. In the noon session the students attended the Nutrition & Dietetics and Hotel Management Practical.

Fifth day on 21.05.2022 (Saturday) Students visited the “**Anna Science Centre-Planetarium**”, Tiruchirappalli. In the noon session Mr. ShanmugaVelayutham, Mr. B. Ramakrishnan and Mr. D. Pradeepan Professors of Department of Visual Communication conducted a lecture on “**Origami, Drawings and Puppet**” for the students.

On Forenoon Session of 22.05.2022 (Sunday) the students visited the “**Government Museum**”, Pudukkottai. In the noon session the students visited the “**Chithannavasal**”, Pudukkottai.

On 23.05.2022 (Monday) Dr. M. Salahudeen Professor of Department of Zoology gave a special lecture on “**Biodiversity and Wildlife Conservation**”. In the noon session the students attended the Zoology Practical.

Eighth day Dr. S. Benazir Begam Professor of Department of Biotechnology gave a special lecture on “**Introduction to plant tissue and animal cell culture techniques**”. In the noon session the students attended the Biotechnology Practical on 24.05.2022.

On 25.05.2022 (Wednesday) Dr. N. Reehana Professor of Department of Microbiology gave a special lecture on “**Isolation and Identification of Micro Organism**”. In the noon session the students attended the Microbiology Practical.

Mr. M. Nagaraj Professor of Department of Mathematics gave a special lecture on “**Vedic Mathematics**”. In the noon session, Dr. A. Mohamed Ismayil Professor of Department of Mathematics gave a special lecture on “**Statistics with Practical**” on 26.05.2022.

Eleventh Day on Forenoon Session of 27.05.2022 (Friday) the students visited the “**National Institute of Food Technology, Entrepreneurship and Management (NIFTEM)**” Thanjavur. In the noon Session, the students attended the “**Experimental Mathematics Learning at Math Lab**”.

On 28.05.2022 (Saturday) Dr. S. Mohamed Iliyas, Dr. S. Abdul Salim and Mr. M. Kamal Professors of Department of Computer Science gave a special lecture on **“Fundamentals of Computers, Programming Languages & Mastering Web Applications”**. In the noon session the students attended the Computer Science Practical.

On Forenoon Session of 29.05.2022 (Sunday) the students visited the **“Mukkombu”** Tiruchirappalli. In the noon session the students visited the **“Central Library”**, Tiruchirappalli.

On 30.05.2022 (Monday) Ms. C. Manochitra Professor of Department of Fashion Technology gave a special lecture on **“Fashion Artista”**. In the students attended the Fashion Technology Practical.

The Valediction Programme, the chief guest of programme is Dr. . Dr. A. Mohamed Ismayil Associate Professor of Department of Mathematics delivered the welcome address, Next Honourable Principal Dr. S. Ismail Mohideen will deliver the presidential address then our guest Ayisha Natarasan will deliver the special address, Dr. K. Abdus Samad Assistant Secretary and Dr. K.N. Abdul Kader Nihal will felicitate the gathering and finally Dr. R. Jahir Hussain HOD (i/c) Professor of Mathematics will propose the vote of thanks.
