## **REPORT**

An International Seminar on Opportunities and Challenges in Java Programming was organized by the Computer Applications Association (SF-Women) on 05-01-2024.

The proceedings were begun with Qirath by Ms. H. J. Shahanaz Fathima of I BCA H. Ms. S. Jumana Hasin of III BCA F delivered the welcome address.

Ms. M. Shaheen Fathima, MCA, (Gold – Medalist), a proud Alumna of the Department of Computer Applications, Jamal Mohamed College (Autonomous), working as Java Developer at Amerni Technologies, Dubai delivered an International Seminar on Opportunities and Challenges in Java Programming.

She spoke on length about the various tools that would help the students to improve their productivity at the work place. She also elaborated the significance of LinkedIn and GitHub platforms for advancement in career. She shared valuable tips on resume building for freshers. She also enlightened the students about various platforms that provide online courses.

She then gave a glimpse of the actual work that she was entrusted at Amerni Technologies, Dubai.

She also encouraged the students to overcome any hurdles they might face with grit and determination to succeed at their respective careers.

## **OUTCOMES**

The students listened to the resource person in rapt attention and asked many questions. Many students gave a positive feedback of the session. They had actively participated in the seminar and were able to clarify many of their doubts from the resource person. Students had immensely benefitted by the practical examples discussed by the resource person pertaining to their future.
