

## **Activities of Department of Microbiology (Jun-Jul. 2019)**

### **Quest Club:**

A seminar club has been started in Department of Microbiology from the academic year 2019-2020 for the welfare of students. The club has been christened 'QUEST'. The simple objective of QUEST is to build capacity among students in an informal way through entertainment. Members of QUEST include students of M. Sc., first and second year, B. Sc., final year and Faculty members of Department of Microbiology, Jamal Mohamed College.

The first program of club was convened on 29. 07. 2019 at 4. 30 pm in Biotech seminar hall with a brief refreshment. The program was started by reciting a few verses from the Holy Quran by Ms. M. Fahmiya, III B. Sc., Microbiology. Ms. G. Kowsalya, III B. Sc., Microbiology welcomed the gathering. The session started with the lecture on "e-Waste" by Dr. N. Reehana, Assistant professor of Microbiology, Jamal Mohamed College. During the lecture, she emphasized the health hazards of e-wastes and the reuse and reprocessing of electrical and electronic equipment. This was followed by a game show named "Connections", wherein the terminologies and equipment handled in the field of microbiology were connected. This show was convened by Ms. B. Asha, student of III B. Sc Microbiology. Then, Ms. Pavithra, I M. Sc., Microbiology delivered a seminar on "Coconut Coir Pith", focusing on the uses of coir wastes. The seminar followed by another game show on "Name the Microbes". Mr. M. Mohamed Masood Ali, II M. Sc., Microbiology convened this event. He projected the images of microbes on the screen and made the students to identify them. "Talk a Minute" program was conducted by T.R.Yogalakshmi of I- M. Sc., Microbiology, in which the students were randomly called to talk for a minute on the subject projected on the screen. The "Quiz" program was then conducted by Ms. Z.H.Ishrath Fathima and Ms. H. Azeema begum of II- M. Sc., Microbiology. The final interesting programs on "Hypoglycemia, Optical Illusion and Tongue Twisters" were conducted by Ms. Kifaya Parveen of III- B.Sc Microbiology to boost up the brain power of students. Dr. A. Khaleel Ahamed, Head, Department of Microbiology & Biotechnology concluded the session and Ms. J. Sharmila, III - B.Sc., Microbiology uttered the vote of thanks.

### **Fresher's Day Celebration:**

This celebration was held on 31.07.19 at 3.30 p.m in N. M. Kajamian Rowther Auditorium along with the inauguration of the seminar club "QUEST". The club was formally inaugurated by releasing the logo by the Treasurer of the College management committee in the presence of Vice Principal, Jamal Mohamed College. The Master of ceremony was done by Ms. R. Gayathri and T. Kalaimani, II- M.Sc., Microbiology, prayer by Ms. Fathima Irshad Ahmed Basha, II- B.Sc., Microbiology, welcome address by Ms. Ankita Chauhan, II - B.Sc., Microbiology. Dr. A. Mohamed Ibraheem, Vice- Principal, delivered the presidential address and felicitation by Hajee M. J. Jamal Mohamed - Treasurer. The vote of thanks was given by Ms. A. Safin Melcica, II – M.Sc., Microbiology.

**Active Participation of Microbiology students in Quest Club**

**Lecture on e-Waste by Dr.N.Reehana, Asst. Prof. of Microbiology**

**Seminar on Coir Pith by Pavithra, I-M.Sc  
Microbiology**

**Md Masuood Ali, II-M.Sc  
conducting programs**

**Presidential address by  
Dr. A. Mohamed Ibraheem,  
Vice- Principal.**

**Felicitation by  
: Hajee M.J. Jamal Mohamed  
Treasurer**

**“The Quest Seminar Club Logo” released by our Management Committee  
Members**
