REPORT

The Zoo-Elysium Programme were organized on Friday, 17th March 2023. The programme were started at 2.30 pm. **Mrs. H. F. Seyed Mafiya Haniff** welcomed the gathering. The primary goal of this event is to motivated the students and their talents to exchange ideas at the cutting-edge disciplines of multidisciplinary nature. The interdepartmental competition provides a platform for the student from various department of our college share their novel ideas, skills and leadership quality in high. Totally **four** event are conducted. **Quiz, Talk a minute, Face Painting and Castle to Elysium. Quizzes** encouraged pupils' self awareness of progress and self assessment. And this can help them identify areas they need to develop themselves and highlight progress for them to be proud of. **Talk a minute** is the activity 'Just a minute or JAM' is an impromptu speech where the speaker is supposed to express the idea on the given topic, within the duration of a minute. It is quite common to see a speaker experiencing nervousness when asked to speak instantly. **Face Painting** It is a perfect platform to bring up the hidden talents of our students. Theme of this event is endangered fauna. Face painting is actually a real art form, and the artists who used faces as their canvas and transformed them into animals or fantasy characters are truly talented. Face painting is a great creative outlet for people of all ages. It's an inexpensive, fun way to explore the worlds of art and imagination. **Castle to Elysium** It was fun event where students solved puzzles. where a number of students eagerly participated. We have chosen judges from **our aided dept staff members**. An overwhelming response has been shown by the participants. We have received more than **50 Participants from 10 departments our college** for the Zoo Elysium Intracollegiate Programme. All the staff (men and women) of our department along with the students participated in the programme. At this juncture We assured that this program will enable the participants to find new talents and it will open up the new view of our dept. Finally the validation of programme started at 5.30pm. In Which **Dr. K. Prabakar** welcomed the gathering. our **Principal Sir** gave the presidential address and **our Secretary Sir** felicitate the gathering **Mrs. H. F. Seyed Mafiya Haniff**, Vice President of the Zoology Association (SF-W) proposed a Theme of the Programme. The selected students were chosen for prize distribution. Our Principal and Secretary Sir distributed certificates and Shields to the winners. **Dr. P. Dhanalakshmi**, Assistant Professor, proposed vote of thanks. The intracollegiate programmes evoked a remarkable response among the students, and also helped them to understand their hidden talents. It was a very remarkable event.
