Outcome

Participants in the Hands-on Training Programme on Mathematica Software significantly enhanced their proficiency in advanced mathematical modeling, data analysis, and visualization. Through interactive sessions and practical exercises, they gained practical skills, fostering a deeper understanding of complex mathematical concepts. The program's outcome was a cohort of confident and skilled Mathematica users well-equipped for real-world applications.

REPORT OF THE PROGRAM

Special lecture program for Graph Theory was conducted on 17th October 2022 for the UG Final year students, Department of Mathematics. ⁵⁹Nearly-60 students attended the session.

Our coordinator Dr.A.Mohamed Ismayil, Department Of Mathematics, (SF-Women) conducted this lecture.

It was a great opportunity for us to be a part of this lecture program. It was a well-received lecture given by him because we gained more knowledge in Graph Theory and he taught some tricks to remember things easily.

He explained difficult theorems and problems with simple illustrations from which we could able to understand difficult concepts very easily.

We learned new things and found it to be incredibly helpful.

REPORT OF THE PROGRAM

Special lecture program for Algebra and it's application conducted on **29th October 2022** for the UG Final year Students of Department of Mathematics. ~~Nearly 60~~⁵³ students attended the session.

Dr.N.Mohamed Thoiyab, Assistant Professor, Department of Mathematics, JMC conducted the seminar.

It was a informative lecture given by him as we gained more conceptual knowledge in Algebra and also he had shared some tricks to remember things easily.

● He explained difficult theorems and problems with the simple illustrations by which we could understand easily and to sustain it for longer time.

It was really a very useful session for us and we are more benefitted with this special lecture.

Report

From the 27th to the 31st of January, 2023, Bharathidasan University will host the XLVI Indian Social Science Congress in collaboration with the Indian Social Science Academy, Allahabad. The central theme is "75 Years of Swaraj India." The Congress would be a massive educational convention at which a few hundred social scientists, scientists, researchers, scholars, and Higher Educational teachers would share their knowledge and debate the various models and trajectories of growth witnessed by India in its 75 years of independence.

As part of this mega academic event, several Pre-Congress Symposia on the various dimensions of the focal theme will be held in various Higher Educational Institutions across the country. **In this regard, a Pre-Congress Symposium on 'Advances in Arts, Social Science, and Sciences: Swaraj India Perspective' was held on October 31, 2022 at Jamal Mohamed College. The symposium featured a special lecture on each department, including mathematics, economics, history, and social work, to describe the changes that have occurred in those departments over the last 75 years.**

Dr. A.J. Haja Mohideen, Head of the Department of Economics, welcomed the gathering in the inaugural session of this Pre-Congress Symposium. Dr. R. Jahir Hussain, Head In-Charge of the Department of Mathematics, explained the theme of the Pre-Congress Symposium. Dr. S. Ismail Mohideen, Principal, Jamal Mohamed College, presided over the function, which was attended by Dr. A.K. Khaja Nazeemudeen, Secretary & Correspondent, Hajee. M.J. Jamal Mohamed, Treasurer; Dr. K. Abdus Samad, Assistant Secretary; Jamal Mohamed College; Dr.S.Senthil Nathan, Organizing Secretary, XLVI Indian Social Science Congress, Bharathidasan University; **Prof. M. Selvam, Vice-Chancellor of Bharathidasan University in Trichy, was the chief guest and delivered the inaugural address.** Dr. K. Sheik Fareeth, Assistant Professor of Social Work, proposed a vote of thanks. Totally 419 Students and 31 Staff members participated in this event. Finally, National Unity Day pledge was also taken after the inaugural function.

“75 Years of Research and New Theories in Mathematics and Statistics”

Date: 31-10-2022 (Monday) **Time:** 11.30 am **Place:** Hussalnudeen Hall

Abstract of the Special Lecture delivered by Dr. M. MARUDAI, Honorary Professor, Department of Mathematics, Bharathidasan University, Tiruchirappalli

Mathematics is a science related to numbers and their activities. It includes calculating, computing, etc. It's dictionary meaning is "mathematics is Science of numbers and their Space "or" Mathematics is the science of measurement of quantity and value". The topic is clear, systematic, and logical. Mathematics has revealed hidden patterns that help us understand the world around us. Now more than arithmetic and geometry, mathematics today is a diverse discipline involving measurement and observations of science, deduction of conclusions and evidence; phenomena, human behavior and social systems. Mathematics is the study of the quantity, the structure, the space, and the change that made history through the use of derivatives and logical reasoning from counting, calculating, measuring and studying the appearance and motion of Physical objects. To understand the role of mathematics in the development of rural people, or in a broader sense, we need to have a better understanding of the following:

- What is the importance of mathematics?
- What is the status and vision of mathematics education in India?
- Is there any requirement of Mathematics in changing India?
- What is the role of mathematics in sustainable rural development?

While highlighting the value and importance of Mathematics, the speaker quoted Roger Bacon (1214-1294), Franciscan English philosopher, philosopher and scholar of the 13th century, "Neglect of mathematics works injury to all knowledge, since he who is ignorant of it cannot know the other sciences or the things of the world." Totally 157 Students and 13 Staff members participated in this event.

Outcome

The Training Programme on Application of Linear Algebra in Cryptography empowered students by imparting fundamental concepts and practical skills in leveraging linear algebra for cryptographic applications. Participants gained insights into encryption methods, enhancing their problem-solving abilities in data security. This program fostered a deeper understanding of mathematical principles behind cryptography, equipping students with essential tools to address real-world security challenges.

REPORT OF THE PROGRAM

Special lecture program for Hands on training on Data Science using R was conducted on 4th January 2023 for the UG – Final year students , Department of Mathematics . Nearly 60 students attended the session .

C: Surendar , Technical Head – aakkam , coimbatore conducted this lecture .

It was a great opportunity for us to be a part of this lecture program . It was a well-received lecture given by him because we learned a new topic Data Science using R and it's basic concepts using Hands on training that is useful for future classes .

He explained difficult theorems and problems with simple illustrations from which we could able to understand difficult concepts very easily . We learned new things and found it to be incredibly helpful .

Outcome

Participants in the Training Programme on Applying Biological Concepts on Differential Equations gain a deep understanding of integrating biological principles with advanced mathematical techniques. They develop problem-solving skills, enhance interdisciplinary knowledge, and acquire practical tools for analyzing biological systems through differential equations, fostering innovation and expertise at the intersection of biology and mathematics.

REPORT OF THE PROGRAM

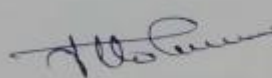

Special lecture program for Numerical analysis was conducted on 28th January 2023 for the PG – First year students, Department of Mathematics. Nearly 30 students attended the session.

Our coordinator Dr.A. Mohamed Ismayil, Department of Mathematics, (SF-Women) conducted this lecture.

It was a great opportunity for us to be a part of this lecture program. It was a well – received lecture given by him because we gained advanced knowledge in Numerical analysis with more examples and he taught some tricks to remember things easily.

He explained difficult problems with simple illustrations from which we could able to understand difficult concept very easily.

We learned new things and found it to be incredibly helpful.

Outcome

The Special Lecture on "Let us learn from Ramanujan" aimed to elucidate Ramanujan's mathematical brilliance and its contemporary relevance. It highlighted Ramanujan's unique mathematical insights, fostering inspiration for current mathematicians. The session explored his problem-solving methodologies, nurturing a deeper understanding of his mathematical legacy. Participants gained insights into Ramanujan's mathematical genius, stimulating their analytical thinking and encouraging them to apply his principles in modern mathematical research and education.

Outcome

The special lecture on the Lyapunov Method for the analysis of dynamical systems provided valuable insights into stability and behavior prediction. Attendees gained a deeper understanding of how Lyapunov functions and criteria can be applied to assess system stability, offering practical tools for engineers and researchers in various fields.

Report

Winter School on Mathematical Biology- Statistical Applications in Data Science has been organized under the aegis of DBT Star College Scheme by Jamal Mohamed College (Autonomous) in association with Bharathiar University, Coimbatore and International Statistical Institute from 21.02.2023 to 23.02.2023 via blended mode.

The programme has begun at 9.00 a.m on 21.02.2023 and Dr. C.A. Vasuki, Member, Vice Chancellor Committee, Bharathiar University delivered the Presidential Address. Dr. S. Ismail Mohideen, Principal, Jamal Mohamed College (Autonomous) felicitated the gathering and Dr. Sudeep Tanwar, Advisor, CoE, Government of Gujarat, (Senior Member, IEEE) Nirma University, India and Visiting Professor Jan Wzykowski University, Poland & University of Pitesti, Romania delivered the Special address.

Earlier Dr. R. Jahir Hussain, Head(i/c), Department of Mathematics, Jamal Mohamed College(Autonomous) welcomed the gathering and Dr. S. Gandhiya Vendhan, Assistant Professor, Department of Statistics, Bharathiar University proposed the Vote of thanks.

Dr. S. Gandhiya Vendhan, Assistant Professor, Department of Statistics, Bharathiar University and Dr. R. Jahir Hussain, Associate Professor, Department of Mathematics, Jamal Mohamed College(Autonomous) organized the events from 21.02.2023 to 23.02.2023.

Outcome

The Winter School on Mathematical Biology focused on Statistical Applications in Data Science, providing attendees with a comprehensive understanding of mathematical modeling in biological contexts. Participants gained expertise in statistical methodologies, enabling them to analyze complex biological data. The program fostered interdisciplinary collaboration, equipping scholars with valuable tools to address real-world challenges at the intersection of mathematics, biology, and data science.

Outcome

The Special Lecture on "Mathematics in Medicine" provided insights into the pivotal role of mathematics in healthcare. Exploring applications of mathematical principles in medical diagnostics, research, and treatment methodologies, the session fostered a deeper understanding among participants. It highlighted how mathematical models enhance medical advancements, optimizing healthcare delivery and promoting innovative solutions for complex health challenges. Participants gained valuable perspectives on the symbiotic relationship between mathematics and medicine, igniting enthusiasm for interdisciplinary approaches in the field.

REPORT OF THE PROGRAMME

The activities of the Computer Science & IT Associations and Computer Applications Associations were inaugurated by conducting a special lecture programme on the introduction to Meta Learning on 04th August 2022 by the resource person Dr. P. Sumathy, Assistant Professor, School of Computer Science, Engg. and Applications, Bharathidasan University, Khajamalai Campus, Trichy. The inaugural address was given by Dr. D. I. George Amalarethnam, Bursar, Director of MCA and IQAC Coordinator. He also introduced the resource person to the audience. The resource person gave a detailed talk on Meta learning starting from the very basics. She elucidated the concepts for the benefit of students with very easy to understand illustrations. The students took keen interest and raised many doubts which were clarified by the resource person.

OUTCOMES

The resource person Dr. P. Sumathy, spoke on Meta learning. The students were able to understand that Meta learning is a sub-field of Machine Learning where automatic learning algorithms are applied to Meta data. They have learnt that Meta learning can be used for different Machine Learning models. They have understood that Meta learning is “Learning to Learn” and is used to improve the results and performance of a learning algorithm based on experimental research.

OUTCOMES

The students had very actively participated in the various events. They had come out with very thought-provoking views on “The Future Of The Society Is In The Hands Of Teachers”. During the Group Discussion they had come out with very remarkable facts on “Teachers Role In Nation Building”. During the screening of educational videos they have learnt about the manner in which the data travels across the globe through internet. They also had come to know about the basics of cloud computing.

REPORT OF THE PROGRAMME

A special lecture was conducted by the recipient of Distinguished Alumnus Award of our college, Dr. E. G. Rajan, B.Sc., DMIT., ME., Ph.D., FIE, professor of Signal Processing, President, Pentagram Research Center Pvt. Ltd, India, on **SYMBOLIC COMPUTING-SIGNAL AND IMAGE PROCESSING** on 14th September 2022.

The inaugural address was delivered by Dr. D. I. George Amalarethinam, Bursar, Director of M.C.A., Coordinator of Department of Computer Applications, and Coordinator of IQAC. Sir also introduced the resource person. Our respected Principal, Dr. S. Ismail Mohideen delivered the presidential address. Our honourable Secretary and Correspondent, Dr. A. K. Khaja Nazeemudeen Sahib felicitated the gathering. Our revered Treasurer, Hajee Janab M. J. Jamal Mohamed sahib also offered his felicitations.

The resource person explained in detail about the Symbolic Computing – Signal and Image Processing starting from the fundamental concepts. He had taken keen interest in the welfare of the youth. Along with special lecture he also encouraged the audience to concentrate on research in their respective area of interest. The audience listened to him in rapt attention. Many members of the audience, both the staff and the students came up with many doubts, which were very patiently cleared by the resource person. The students expressed their gratitude to the resource person for the clear and lucid explanation of the concepts.

The vote of thanks was proposed by Ms. Khairunnisa, Assistant Professor, Department of Computer Applications.

REPORT OF THE PROGRAMME

The resource person Dr. S. Vaaheedha Kfatheen, Dean of Science, Assistant Professor, Department of Computer Science and IT (SF) had delivered a special lecture on the topic "How to write a research paper?" on 23-Jan-2023. She had illustrated how to study the research papers and guided the students to write their own research articles. Many students clarified their doubts making the session an interactive one. The students were immensely benefitted by her lecture and gave a very positive feedback. Many were motivated to compose their research articles.

REPORT OF THE PROGRAMME

The resource person, Mr. Mohamed Faize Basha, Assistant Professor, Department of Computer Application had delivered a special lecture on the topic **“Developing Self-Motivation”** on 09-Feb-2023. He had enlightened the students with his ‘Mantras’ and motivated the students to view life in another perspective. He conducted many interactive games and made the session livelier. The students were immensely motivated by his lecture and gave their positive feedback. Students were stimulated to think out of box and grab the opportunities to excel in life.

OUTCOMES

The resource person had effectively explained about the challenges that would be faced by freshers, especially the women students. As a result of the special lecture many students had clarified their doubts regarding the life in corporate sector. As many of the students had been placed in various companies this lecture program helped them to get a first-hand account of corporate life.

Report

The Department of Botany, Jamal Mohamed College (Autonomous), Trichy – 620 020. Organized a One day Hands on Training program on **Baking Skills** under the DBT STAR College scheme on 22/12/2022. The resource person Ms. **D. Bhuvaneshwari M.Sc, B. Ed, M. Phil, SET.**, Assistant Professor, Department of Nutrition and Diabetics, Jamal Mohamed College, Tiruchirappalli – 620 020, trained our UG Botany students. Our students were divided into five batches for the preparation of **Melting Moment, Salt Cookies, Cup Cake and Muffin Cake**. During training session students are successfully prepared the above mentioned bakery items by using millets. The program was really mind blowing for our students as well as for the staff members.

Out Comes:

Millets are used as one of the important cake preparation. Through, which inculcate protein sources, without adding Maida, White sugar, Baking Soda and Preservatives.

ACTIVITIES OF THE CHEMISTRY DEPARTMENT (2022- 2023)
CHEMISTRY ASSOCIATION GUEST LECTURE PROGRAMME (SF-WOMEN)

15th December 2022

The Guest Lecture programme of Chemistry Association (SF-Women) was held on **15-12-2022** at 3.30 p.m. **Physics Seminar Hall**. Programme was initiated with the Qirathseeking the blessings of Almighty. **Dr. N. Mujafarkani**, MID & Assistant Professor of Chemistry, welcomed the gathering. The function was presided over by **Dr. M. Mohamed Slibudeen**, Additional Vice-Principal, Head of the Department and Associate Professor of Chemistry, Jamal Mohamed College, Trichy. **Dr. S. S. Syed Abuthahir** Assistant Professor of Chemistry introduced the chief guest. Nearly 109 students of both UG and PG participated in the meeting. **Dr. N. Vasimalal**, Assistant professor (Selection Grade), **B. S. Abdur Rahman Crescent University**, was the Chief Guest inaugurated guest lecture programme. He delivered a special lecture entitled “**Green synthesis of carbon Nanoparticles and their Biosensor Application**”. Green chemistry is used in various fields and to design and produce cost- competitive chemical products and attain the highest level of the pollution prevention hierarchy by reducing pollution and its source. Students get some ideas about green chemistry and various applications. Finally, **Dr. K. Mahmoodah Parveen**, Assistant Professor & Vice-President of Chemistry Association proposed the vote of thanks.

Date	:	20 th December 2022
Venue	:	Physics Seminar Hall, Jamal Mohamed College

DETAILED REPORT

A special lecture on Magnetic Resonance Research – From Bench to Bedside was organised by the chemistry association of PG & Research Department of Chemistry, Jamal Mohamed College on 20th December 2022. The program was presided by the principal Dr. S. Ismail Mohideen.

Around 60 students of M. Sc. participated in this special lecture program. Dr. Khan Hekmatyar, Assistant Director & Senior Scientist, Advanced Translational Imaging Centre, Georgia State University, USA was the resource person.

The program commenced at around 11:00 a.m. with a recitation of a few verse from the Holy Quran by Mr. Abdur Rahman of II M. Sc.

Then, Dr. M. Jamal Mohamed Jaffar, Head & Associate Professor of physics welcomed the gathering and also felicitated the resource person.

The Additional Vice-Principal & Head of the Department of Chemistry Dr. M. Mohamed Shihabudeen honoured the guest by adorning the shawl and Dr. M. Syed Ali Badhusha, Associate Professor of Chemistry introduced the chief guest.

Later, the resource person delivered a key note address on the components of MRI and its functioning. He also spoke on its medical applications and significance. Through this session the students were able to understand the usage of Magnetic Resonance in both medical and scientific research.

Glimpse of the guest lecture

In the question & answer session the students raised a series of question and clarified their doubts. The resource person cleared the doubts in a crisp manner. In this session, Dr. Khan shared his experience in the Magnetic Resonance Research and motivated the audience.

At the end of the program, Dr. N. Peer Mohamed Sathik, Associate Professor of Physics proposed the vote of thanks.

DETAILED REPORT

A special lecture on **FUNDAMENTAL AND APPLICATIONS OF NANOTECHNOLOGY** was organised by the chemistry association of PG & Research Department of Chemistry, Jamal Mohamed College on 21th January 2023. The program was presided by the principal Dr. S. Ismail Mohideen.

Around 60 students of M. Sc. participated in this special lecture program. **Dr. D. Kesavan** Assistant Professor (Chemistry) & Head i/c, Department of Basic Sciences, College of Fisheries Engineering, Dr. J. Jayalithaa Fisheries University was the resource person.

Then, Dr. M. Mohamed Sihabudeen, Head & Associate Professor of chemistry welcomed the gathering and also felicitated the resource person.

ACTIVITIES OF THE CHEMISTRY DEPARTMENT (2022- 2023)
CHEMISTRY ASSOCIATION GUEST LECTURE PROGRAMME (SF-WOMEN)

09th February 2023

The Guest lecture programme of Chemistry Association (SF-Women) was held on 09-02-2023 at 3.45 p.m. in room LH-206. Programme was initiated with the Qirath seeking the blessings of Almighty. Dr. N. Mujafarkani, MID & Assistant Professor of Chemistry, welcomed the gathering. The function was presided over by Dr. M. Mohamed Sihabudeen, Additional Vice-Principal, Head of the Department and Associate Professor of Chemistry, Jamal Mohamed College, Trichy felicitated the programme. Dr. A. Asrar Ahamed, Assistant Professor & Vice-President of Chemistry introduced the chief guest. Nearly 109 students of both UG and PG participated the meeting. Mr. N. B. Arun Kumar, Scientific officer, Regional Forensic Laboratory. He delivered a special lecture entitled on "Scope and branches of forensic science". Forensic science is the study used to scientific methods or expertise to investigate crime or examine evidence that might be presented in a court law. Students gained more idea through this lecture programme, Dr. K. Mahmoodah Parveen, Assistant Professor & Vice-President of Chemistry Association proposed the vote of thanks.

Jafar Ahamed**, Associate Professor of Chemistry introduced the chief guest. Nearly 109 students of both UG and PG participated in the meeting. **Dr. Srinivasan Anandan**, Scientist E, International Advanced Research Centre for Power Metallurgy and New Materials (ARCI) Hyderabad was the Chief Guest inaugurated guest lecture programme. He delivered a special lecture entitled "Research Opportunity in Education". It is a very useful for the students. Students come to know about the importance of research opportunity in education. Research is an investigative process of finding reliable solution to a problem through a systematic selection, collection, analysis and interpretation of data relating to the problem. In order to research is all activities that make us discover new knowledge about things around us. Finally, **Dr. N. Mujafarkani** MID & Assistant Professor of Chemistry proposed the vote of thanks.

EVENT OUTCOME

The chief guest Dr. A. BALU, Assistant Professor & Head, Department of Commerce, Govt. Arts & Science College, Thirukkattuppalli, delivered a motivational speech on "Success Should Begin With Responsibility" for the Commerce Students. He shared his knowledge and experience on the academic field. He further elaborated the potential of students.

- The aim of the programme is to kindle the the spirit of students and to stay responsible for their actions.
- Dr. Balu suggested the students to develop more practical knowledge than the theoretical knowledge in any given matter of subject.
- Students come to know that the Companies and HR officials are expecting the freshers to be accountable to their given projects.
- Students were able to understand that responsibility stands first at any point of time.
- He also mentioned that people may have analysed their Strengths, Weaknesses and Threats. But, Opportunities are what make up the differences and It decides whether one will level up or down.
- The session ended at 12:30pm

Thank you

REPORT OF THE PROGRAMME

The activities of the Computer Science & IT Associations and Computer Applications Associations were inaugurated by conducting a special lecture programme on “Introduction to Meta Learning” on 04th August 2022 by the resource person Dr. P. Sumathy, Assistant Professor, School of Computer Science, Engg. and Applications, Bharathidasan University, Khajamalai Campus, Trichy. The inaugural address was given by Dr. D. I. George Amalarethnam, Bursar, Director of MCA and IQAC Coordinator. He also introduced the resource person to the audience. The resource person gave a detailed talk on Meta learning starting from the basics. She elucidated the concepts for the benefit of students with easy to understand illustrations. The students took keen interest and raised many doubts which were clarified by the resource person. 99 students

OUTCOMES

The resource person Dr. P. Sumathy, spoke on Meta learning. The students were able to understand that Meta learning is a sub-field of Machine Learning where automatic learning algorithms are applied to Meta data. They have learnt that Meta learning can be used for different Machine Learning models. They have understood that Meta learning is “Learning to Learn” and is used to improve the results and performance of a learning algorithm based on experimental research.

REPORT OF THE PROGRAMME

A Workshop on “Python with Data Science” was conducted on the Thursday, 15th September 2022, at 02:30 p.m. in IT Lab – 3. Dr. S. Vaaheedha Kfatheen (Dean of Science), introduced and honored the Chief guest Dr. J. SAI GEETHA.

Dr. J. SAI GEETHA MCA., M.Phil., SET, Ph.D., Associate Professor, Department of Information Technology, Bishop Heber College (Autonomous), Tiruchirappalli – 17, delivered a special lecture in the workshop regarding the use of Python in Data Science. She introduced the basic concepts of python and also the importance of python language in data science. She interacted with the students of UG, Computer Science. She also demonstrated the basic concepts like Data types and Operators in Python, List, tuple, Conditional Statements, Looping statements, OOPS concepts, etc. She also demonstrated some basic programs like addition of two numbers, Fibonacci series and so on, in an Online Platform called Colab.

The workshop was concluded with a doubt clarification session where all the students clarified their respective doubts with the resource person. The session was very lively and students of III B.Sc (CS) and III B.Sc (IT) were benefitted a lot from this workshop.

OUTCOMES

Overall, the workshop seems to have been successful in achieving its objectives of introducing students to Python and its relevance in the context of data science. The hands-on demonstrations and doubt clarification session would have further enhanced the learning experience for the participants. 40 students participated in this workshop.

REPORT OF THE PROGRAMME

The Seminar was addressed by our college staff Assistant Professor Dr. A. ASLAM, Department of Botany. His lecture was very interesting and he covered various aspects of Digital Detoxing of Data. The speaker explained various threats that happen in Cybersecurity and also highlighted some facts which would be helpful for their career. The Lecture was very informative and 77 students participated meticulously and benefited through that programme. At the end of the seminar, the students gave their feedback, and explained how they were benefited from this seminar.

OUTCOMES

The seminar conducted by Dr. A. ASLAM on "Digital Detoxing of Data" was well-received and had a positive impact on the participating students. It not only provided valuable information on cyber security but also highlighted its practical applications for their future careers. The high level of student participation and their feedback affirm the success and effectiveness of the seminar. 77 students benefited in this seminar.

REPORT OF THE PROGRAMME

This Seminar was addressed by **Mr. MOHAMED ARSHAD**, Business Associate of Tata Consultancy Service in Bangalore on 08th October 2022 at IT Seminar Hall. His lecture was very informative. He covered various aspects of Software Testing. The speaker explained different varieties of "Software Testing". A total of 90 students participated eagerly and benefited through that programme. At the end of the seminar, the speaker gave examples for students to analyse, and explained its benefits.

OUTCOMES

The seminar conducted by Mr. MOHAMED ARSHAD on "Software Testing" was successful in providing valuable insights and knowledge to the participating students. It covered various aspects of software testing, engaged students through interactive examples, and clarified the practical benefits of the concepts discussed. The high level of student participation and their eagerness to learn indicate the effectiveness of the seminar in educating students about this important aspect of software development and quality assurance.

REPORT OF THE PROGRAMME

This Seminar was addressed by Ms. M. SRI PRIYAVARTHINI, IT Analyst, VDART Inc, Trichy. Her lecture was very interesting. She shared her knowledge about the interview questions that are being asked in interviews. The speaker explained about how to prepare for interviews. 45 students participated eagerly and benefited through that programme. At the end of the seminar, students gave their valuable feedbacks.

OUTCOMES

The seminar conducted by Ms. M. SRI PRIYAVARTHINI on interview preparation was successful in providing students with practical insights and guidance for their job interviews. The high level of student participation and their eagerness to learn suggest that the seminar was effective in helping them improve their interview skills. Student feedback is likely to provide valuable insights into the impact of the seminar and how students plan to implement what they've learned in their career development.

REPORT OF THE PROGRAMME

A Seminar titled “Don’t Miss Your Opportunities” was held at IT Seminar hall on 28th of January 2023. Mr. N. AMIRUDEEN , Assistant Professor from the department of Tamil, Jamal Mohamed College , was the Resource Person. The speaker emphasize that Opportunities are everywhere, but it is up to us to make them happen and opportunities are the driving force of success. He also insists that opportunities are, what makes us take risks and dare to try new things and We need to be open-minded, not just when it comes to opportunities but also when it comes to our own personal growth. The resource person did some magic’s for the students. The students understood their responsibilities and they realized that opportunities are everywhere and we have to make use of it.

OUTCOMES

The seminar served as a motivational and awareness-building event, with Mr. N. AMIRUDEEN delivering a powerful message about seizing opportunities and taking risks for personal and professional growth. The use of magic tricks likely added an engaging and memorable element to the event. The key outcomes include an increased understanding of the importance of opportunities, an emphasis on open-mindedness, and a realization of personal responsibilities in pursuing opportunities.

REPORT OF THE PROGRAMME

This webinar on “Nutrition and Brain Health” addressed by eminent Dr. A. SANGEETHA Assistant Professor & Dean of research, Dept of Nutrition and Dietetics, Jamal Mohamed College, Trichy, on 04th September 2021. The guest was honored by our Dean of Science Dr. S. VaahedhaKfatheen. This webinar began with a brief introduction about Brain and Nutrition and she gave food tips for brain health. She interacted with students and asked their problems. She gave the solutions for those problems. The students got the information about how to maintain our body and brain.

OUTCOMES

The webinar on "Nutrition and Brain Health" with Dr. A. SANGEETHA as the speaker was successful in delivering valuable information and solutions to the participants. It promoted awareness of the importance of nutrition in brain health and provided practical tips for maintaining both physical and cognitive well-being. The interactive nature of the session likely enhanced the learning experience for the attendees.

REPORT OF THE PROGRAMME

The two days hands on training programme was conducted on 22-02-2023 and 23-02-2023 at IT Lab5 on the topic of C# .Net . The resource person for this programme is Ms.P .Usha , Assistant Professor ,Department of Information technology, Bishop Heber College, Trichy. In the first day of the programme she taught basics of C# and she gave training to develop small applications . At the end of the first session she conducted a quiz programme. In the second day she explained about database and she trained for database connection. The Session was enriching for the students and it ended with an interactive session between the resource person and the students. Our 42 students belonging to I M.Sc (CS) , III B.Sc(CS) and B.Sc(IT) Benefitted from the session.

OUTCOMES

The two-day hands-on training program on C# .NET conducted by Ms. P. USHA was successful in providing students with a solid foundation in C# programming, practical experience in application development, and knowledge about database connectivity. The interactive nature of the program and the participation of students from various academic levels underscore its effectiveness in equipping students with valuable skills in software development.

TWO DAYS WORKSHOP ON MENSWEAR	
Date & Time	: 15.10.2022 & 17.10.2022 - 3.00 pm to 4.30 pm
Mr. ZAHIR HUSSAIN, Fashion Maker from Zahir's Fashion House, Tiruchirappalli.	
No of Participants: 53	

REPORT

PG Department of Fashion Technology and Costume Designing & B.Voc Apparel and Fashion Design Organized a two days workshop on Menswear at ALMANHAL between 15.10.2022 & 17.10.2022. Around 53 students from III BSc and III B.Voc were the participants. The resource person for the workshop is Mr. ZAHIR HUSSAIN, Fashion Maker from Zahir's Fashion House, Tiruchirappalli. He completely demonstrated the pattern making and construction of men's wear especially shirts and trousers. The students also individually brought their material for pattern making and construction on do it yourself basis for their skill enrichment in men's wear. As the outcome of the two days workshop, the students constructed the finished final garment, Shirts and Trouser. The students were really benefited out of this workshop.

REPORT OF THE EVENT

The Valedictory of the Association was held on 23-3-2023. Dr.M.H. Jahanara Register of Attendance SF (Women) attended and gave a speech on the Role of Education in The Women Empowerment. She encouraged students to take up new Challenges in life. The event was finally concluded with the vote of thanks.

Outcome:

- Women empowerment refers to allowing women the power of participation in the decision-making process of all the fields leading to a quality life.
- Empowerment of women helps them to take their own decision with respect to life and family.
- Empowering women is the process of making women independent in all aspects of thoughts, rights, decisions, and actions.
- Women empowerment promotes gender equality in society and adds to the country's development.
- Women's empowerment is necessary for the growth of family, society, and nation.

REPORT

The Postgraduate and Research Department of Physics, Jamal Mohamed College, Tiruchirappalli organized a special lecture on “Biography and Achievements of Missile Hero Bharat Ratna Dr. A. P. J. Abdul Kalam, Former President of India, jointly with the Vigyan Prasara, Department of Science and Technology, Government of India, Tamil Nadu Astronomical Science Society (TASS), Tamil Nadu State Technology Council (TNSC), Department of Higher Education, Government of Tamil Nadu, Ariviyal Palagai, the Tamil Section of Vigyan Prasara on Wednesday, the 28th September, 2022 at 10:45 AM.

This programme has been organized as part of the year long celebration of the 75 years of India's Independence, Azadi Ka Amrit Mahatsoav by the Vigyan Prasara, Department of Science and Technology, Government of India in association with the state science councils to showcase the life and achievements of Indian Scientists and the advances in science and technology during the past 75 years.

The keynote address was delivered by Mr. J. Manohar, State Coordinator, Tamil Nadu Astronomical Science Society (TASS), wherein, he spoke of the initiatives taken by TASS to help spread science to the rural people and students by creating and developing science content in Tamil language.

Haji, Dr. S. Ismail Mohideen, Principal of the college presided over the programme. He spoke of the desirability of the students to make full use of opportunities such as these to foster their knowledge, creative thinking and kindle their interests. He lamented the waning of interest in basic sciences such as Physics, Chemistry, Mathematics, Botany and Zoology and warned of the dangers that this posed to the future of science in India. He wanted the students to be outspoken and express their views freely without inhibitions regarding academic matters so that necessary modifications can be carried out during further revisions of the curriculum. He also appreciated the PG and Research Department of Physics for its initiatives on activity based learning and impressed upon the other departments of the college to emulate it.

Mr. M. Jamal Mohamed Sahib, Treasurer, Jamal Mohamed College while felicitating spoke on the role of the college and its founders Haji. M. Jamal Mohamed Sahib and Janab. N. M.

Khajamian Rowther, in promoting education in general and science education in particular. He recollected their broad secular outlook, patriotism and espousal of nationalist cause which drew them into Gandhian politics and their conviction in upliftment through education that led to the starting of the college and laying of the foundations for its spectacular growth. He presented the biography of the founder Haji. M. Jamal Mohamed Sahib, The Merchant Prince and Nationalist, authored by the French historian Dr. Morey and brought out by the Centre for Islamic Cultural Research, Jamal Mohamed College to the visiting dignitaries.

On this occasion, a book on Astronomy titled “Aadhiyum Andhamum” authored by Dr. P. Sasikumar, Scientist, Indian Space Research Organization, Trivandrum was released by Mr. Ayesha Era Natarasan, Sahitya Academy Awardee and the Resource Person for the day.

The first issue of “Puthiya Vanavil”, a magazine brought out by the Tamil Nadu Astronomical Society, was released by Mr. M. Jagadeeswaran, Regional Coordinator. TASS, Chennai and the first copy was received by Haji M.J. Jamal Mohamed, Treasurer, Jamal Mohamed College, Tiruchirappalli.

A newly established FM Radio by the Tamil Nadu Astronomical Society, named TASS FM Online Radio was inaugurated by Thirumigu. D. Mekala, Secretary, Salem Astro Club and Dr. S. Ismail Mohideen, Principal, JamaL. Mohamed College, Tiruchirappalli.

Mr. Ayesha Era Natarasan, Sahitya Academy Awardee Winner and an Alumnus of Jamal Mohamed College (Autonomous), Tiruchirappalli delivered the special lecture using a well-prepared power point presentation. Starting from the early childhood of Dr. A. P. J. Abdul Kalam he spoke, of his schooling, his graduation at St. Joseph’s College, Tiruchirappalli, his trials and tribulations at the Madras Institute of Technology, Chennai while carrying out his B. Tech studies. He also described the high respect and esteem that Abdul Kalam had to his teachers, who had inspired him in his student life.

Citing various incidents, he highlighted the hardships which forced Dr. Abdul Kalam for take up the part time vocation as a ‘paper boy’ supplying news papers to 250 households to support his schooling, the financial help he got from his widowed sister, sacrificing her meagre resources for his admission to MIT, his determination and craving for knowledge even in face of adversities, such as the late nights he spent under candle lights at MIT to

complete his assignment when faced with the stern warning of withdrawal of scholarship and imminent discontinuation of his studies.

His early explorations for a job placement, his hard work and dedication which saw him climb up the ladder, helped by such greats as Mr. Krishna Menon, Dr. Vikram Sarabhai, Dr. Satish Dhawan, Mr. R. Venkataraman, Mrs. Indra Gandhi and Mr. Rajiv Gandhi were excellently portrayed.

Mr. Ayesha Natarasan, also recollected the efforts that Dr. Abdul Kalam made, in particular the early days of India's Rocket programme, the initiatives he undertook such as the Integrated Guided Missile Programme to make the country self-sufficient in missile and satellite technology, the transfers of technology that he effected to the health sector as spin-off benefits of space research, the groundwork that he laid for Automation of Health Services in India etc.

That missile technology was known to Indians prior to the advances in Western Science and that missiles were put to use effectively against the British by Tippu Sultan was also highlighted. The life of the great scientist as the President of India, his simplicity, his readiness to mingle with the masses, in particular children and students, his pursuit of teaching post retirement, were also explained.

On this occasion, Dr. P. Sasi Kumar, Scientist, ISRO, Trivandrum, highlighted the origin and end of the universe in his talk "Aadiyum Andamum", Mr. M. Jagadeeswaran, Regional Coordinator, Tamilnadu Astronomical Science Society, Mr. Bala Bharathi, President, Trichy Astro Club, Mr. S. Jaya Paul, Advisor, Trichy Astro Club, Mrs. T. Shanthi, Advisor, TASS and Dr. Pauline Preetha Jabaselvi, Regional Coordinator, TASS also felicitated.

Earlier Dr. M. Jamal Mohamed Jaffar, Associate Professor and Head, PG and Research Department of Physics welcomed the gathering and Dr. A. Mohamed Saleem, Associate Professor, PG and Research Department of Physics proposed the vote of thanks.

Report of the Workshop on Construction of Newtonian Reflector Telescopes

PG and Research Department of Physics organized a two day workshop on construction of Newtonian Reflector Telescopes in collaboration with Chiguru colab (Astrolab-Centre for Astronomical Studies), Bengaluru under Seed Money Research Project Scheme held from 02-09-2022 to 03-09-2022. Our proud alumnui **Mr. Surender Ponnalagar**, Project Director and **Mr. Bharathkumar Velusamy**, Product Manager, Chiguru Colab, Bengaluru were the Resource Persons for this programme. A total of 30 UG and PG students participated in the workshop.

During the workshop the resource persons taught the students the different types of telescopes, the principle of Newtonian Reflector telescopes, and the design of these. During the hands-on session they demonstrated the construction of two such telescopes and they are on display here.

On 3rd September 2022, the activities of the Vainu Bappu Astronomy Club for the year 2022-2023 were inaugurated by **Mr. Surender Ponnalagar**, Project Director, Chiguru Colab, Bengaluru. **During the first session**, the Induction of Mentors for Asteroid Identification for School Teachers was held. During this programme, participation certificates to School Teachers who underwent asteroid Identification were presented by our **Hon'ble Secretary and Correspondent** and **Mr. S. Ingersol, Senior Scientist, ISRO, Bengaluru**.

In the second session, lecture on "Health and Hygiene Counseling for Women Students" was delivered by **Mrs.T.Santhi**, State Advisor & Health Activist, Tamilnadu Astronomical Science Society (TASS).

In the third session, "Signing of MOU with Tamilnadu Astronomical Science Society (TASS) by our **Hon'ble Secretary and Correspondent with Mr. Bala Bharathi**, Founder President, Trichy Astro Club, Principal and Correspondent, Bharathi Matriculation School, Tiruchirappalli and **Mrs.T.Santhi**, State Advisor & Health Activist, Tamilnadu Astronomical Science Society (TASS). A total of 30 UG and PG students participated in the workshop. **Dr. S. Shek Dhavud**, Assistant Professor of Physics proposed a vote of thanks.

Report

We on behalf of a Physics Association activity invited Robotic Engineer **Mr. Sriraman Balaji** CEO and Founder Rajan Robotics, Srirengam Tiruchirappalli to deliver special lecture on “**EYE OPENER ON ROBOTICS**” in the Physics Seminal Hall on the Fore noon of **12/10/2022** to train the PG and III UG Physics students to construct the simple Robotics. He lectured about embedded systems to reveal the basic ideas needed to construct Robotics. Particularly he pointed out the importance of programming skills to develop the new ideas in robotics deigns. On Behalf of our College Head of the Department welcomed the gathering, and the Vice-President of the Physics Association Dr. R. Radhakrishnan proposed a vote of thanks.

PHYSICS ASSOCIATION (SF-WOMEN)

The inaugural function of the Department of Physics Association (women section) for the A.Y. 2022-2023 was organized and conducted on 10th August 2022 at 3.00 pm in the Physics seminar hall.

Dr. M. Jamal Mohamed Jaffar, HOD of Physics welcomed the gathering and introduced the chief guest.

Mrs. T. Santhi, Health Activist, State Executive Committee Member, Tamilnadu Science Forum addressed the students on the topic "Adolescent girls and Nutrition".

Her talk focused on the problems faced by adolescent girls in the present time. She emphasized on how more freedom should bring more awareness, on how it is used. She informed them about the balanced diet for a healthy life style. The students had a lively interacting session with her as she answered their doubts. Around 75 students of our department participated in this programme.

Dr. V. Kalyanavalli, Assistant Professor of Physics, proposed the vote of thanks.

REPORT

The *Valediction* function of the Physics Association activities for the academic year 2022-2023 was held at the Physics Seminar hall of the Jamal Mohamed College during 11.30 am – 1.00 pm of 17-03-2023. On this occasion, **Dr. K. AbdusSamad** Assistant Secretary, Jamal Mohamed College Offered felicitations and the Head of the Department of Physics welcomed the gathering. The *Valediction* address was delivered by **Dr. S. BEER MOHAMED**, Associate Professor, Department of Materials Science, School of Technology, Central University of Tamil Nadu, Thiruvavur on the topic “**Research Opportunities in Material Science**”. He widely listed the various fellowships available for the PG and final year U.G students to do higher studied in INDIA and ABROAD. He also congratulated the students who got first rank in the semester exam by distributing prizes. Finally, the Vice-President of the Physics Association Dr. R. Radhakrishnan proposed a vote of thanks.
