In 1963 the college was elevated to the status of a post-graduate college. In the year 1972, the college was recognized by UGC New Delhi, for Grant purposes under section 2(F) and 12(B) of the University Grants Commission Act 1956. Emblem & Motto

The emblem of the college consists of a shield divided into four parts with a circle in the middle. On the top left, there is a crescent and a star, a symbol of Islamic culture and faith in future prosperity. On the right, there is an open book symbolizing knowledge. At the bottom right, there is a lotus, the symbol for purity and prosperity. The bottom left represents a replica of Golden Rock standing for strength and striving. Inset in the mid-circle is the frontage of the college main building with a dome and minarets representing the essence of Islamic culture: The present is a preparation for the Hereafter. Underneath the shield is a ribbon containing a verse from the Holy Quran in Arabic Script followed by its translation in English that reads: 'Show us the right path', which is the motto of the college. Thus the emblem of Jamal enshrines the ideals of cultural integration and guidance of learning and striving to succeed in the Here and the Hereafter, tempered with constant prayers to the Almighty to guide us on the straight path. The four figures in the shield are diagonally placed with green and yellow backgrounds, stranding prosperity and happiness. Over the period of 6 decades, the college was able to scale greater and greater heights and rise to the present status as a multi-faculty institution with 11 UG programmes, 11 PG programmes and 2 M.Phil.
