## Policy and Procedure for Assessing the Learning Level of the Students

### (Advanced Learners and Slow Learners)

#### **Objectives:**

1. To assess the learning capacity of the students in each course and to provide guidance.
2. To fulfil the needs of slow and advanced learners thereby to increase their competencies and success in their academic endeavours.

#### **Methods for identifying Slow and Advanced learners**

Mentor assesses the learning level of each student on the basis of marks secured in Higher Secondary, Class Test Performance, Observations made in the Class and Interactions with the Faculty and Peers.

#### **Criteria for the categorizing of slow learners:**

- CIA Test / ESE score is less than 40%.
- Slow reaction time.
- Limited self-direction
- Lack of motivation and interest.
- Lagging behind in dealing with higher order problems.
- Low capacity to comprehend core concepts and their application.

#### **Criteria for the categorizing of advanced learners**

- ESE score is more than 70%/75% for Arts and Science programme respectively.
- High grasping capacity.
- Quick responses.
- Self-directed and self-motivated.
- Efficiency to deal with higher order problems.
- High potentials to comprehend and retain core concepts and their applications in appropriate situations.
