Governing and Participative Management Policy

Jamal Mohamed College (*Autonomous*) is committed in strengthening and advancing the college as a higher education institution by providing quality education through superior facilities, a top-notch teaching and learning process, and an amicable academic atmosphere. By offering a variety of educational, co-curricular, and extracurricular activities, students' intrinsic skills are nourished via overall growth. Additionally, we are dedicated in setting up an effective and transparent appraisal system. This policy has been prepared to ensure an effective functioning and efficient governance at all levels to the satisfaction of the stakeholders.

Objectives

- To keep on developing the vision, mission and objectives of the college and to ensure that they are achieved
- To provide academic and administrative integrity in order to accomplish the institution's perspective plan with rules and regulations
- To review the institution's performance and assist it more efficiently in achieving excellence in academic and extracurricular endeavours.
- To include every stakeholder at various levels, according to the rules set-forth by statutory bodies
- To create robust and effective financial processes and procedures
- To uphold transparency at all levels of authority and organization

Composition of Board of Governors

Our college governing body is constituted as per the guidelines outlined by University Grants Commission (UGC), Government of India. The Governing body of Jamal Mohamed College includes Management representatives, Convener, UGC, State Government and Affiliated University nominees and Teacher representatives.

Functions and responsibilities of Governing Body

The members of an institution's governing board are collectively responsible for overseeing its functions, approving its current prospects, and nurturing an environment that will permit it to execute the college missions.

- Develops and carries out the institution's vision and mission, strategic plan and quality policy.
- Thoroughly discusses all matters concerning the college's academic, non-academic and extracurricular activities and ensures the security of both staff and students.
- Allocates and approves the budget for the respective financial years and effectively monitors resource mobilization and optimal utilization through the Finance Committee to ensure accuracy, consistency, transparency, and accountability.
- Defines service rules and regulations and policy decisions regarding the requirement of teaching and non-teaching staff.
