*“Education is a tree*

*Whose fruits are indispensable for the growth of the society.*

*Education is a candle which enlightens the society.*

*Education is an ever blooming flower which fascinate the Society”*

**The whole object of education is to develop mind. The mind should be a thing that can work. It should be able to pass judgments on events as they arise and should be able to make decisions.**

**My classes consist of discussions, screening of documentaries and informal debates with arguments and counter arguments. I guide them, but did not pull them along. I urged them to, move forward and did not suppress them. I guided the way but did not escort them to the destination.**

**This technique of teaching opened new horizons and gave them a completely different insight into the subject.**

## **ARTICLE ABOUT ANNUAL CONCERT**

**S. SUGANYA., M.Sc., B.Ed (MATHS)**

The date for our Annual Concert was fixed for 28<sup>th</sup> Feb. I was given incharge to arrange for a puppet show and folk dance. My co-teachers were Miss. Heera Banu and Miss. Rahela Mehaboo. Our Education Director gave a nice idea for the dance practice and we started well in advance. For the puppet show we selected the song “Varaan Varaan Poochandi” and for the folk dance our Madam Ms. Asma suggested “Kolusukadai Orathile” from Vijayalakshmi Navanitha Krishnan’s album. I also blended another folk song with it. For the past 3 months our practice sessions were a blend of tension, fun and enjoyment. Our students also co-operated well to all our tiring orders. Finally the ‘D’-day arrived with grandeur and splendor, all the children were graceful with every movement and towards the end, and the thundering applause melted away all our strain and tiredness of the past months. We are very much thankful to our Education Director Ms. Asma and Principal Sir. Moosa for giving this opportunity. We also thank my loving and cheerful students for their best performance and their excellent co-operation.

**ADMINISTRATIVE DEPARTMENT**

I feel proud to share my experience about our School 2<sup>nd</sup> Annual Day Celebration. We celebrated our 2<sup>nd</sup> Annual Day on 28<sup>th</sup> February. From the day we started planning the excitement engulfed us. I Printed the Annual Day invitation & Welcome address I also aligned all the songs in a CD. I was happy to do it. We prepared the welcome badges. And all the staff joined together to pack the Prizes. It was like a family celebration. Ya we all belong to the Jamal fraternity. Because of this co-operation we proved our best in Annual Day Celebration and we got lots of appreciation from the audience, Chief guest and from the management. Another special part was I helped to prepare for the Hindi dance “Des Rahgeela” for the Stuedents of Std I<sup>st</sup> and II<sup>nd</sup>. Miss. Shameem and Miss. Sharojini were also incharge. My Sister volunteered to help us. She suggested that we had to do something different. So we planned to use colourful duppattas for that dance. That was a different and colorful idea. The Children were made to make different shapes they made flowers & stars with it. It was a very enjoyable experience. And I thank our Education Director Madam Ms. Asma Mariam and Principal Sir Mr. Kabeer Moosa for giving me a chance to prove myself. Our children did all the programs very well. I am very happy that in spite of me being in the admin – dept, I was also included to join in the gala preparations of our Annual Day.

## **RANGEELA - HINDI DANE**

**Miss. A. SHAMEEM., D.T.Ed., B.A. (English), D.C.A., D.T.P.,**

We wanted to do something different for the Annual Day. So we selected the Hindi song Des Rangeela dance which blended with colours and also with a touch of India in it. It's difficult to do intricate dance steps for small children. But our children were confident. They proved that they were also geniuses by their performance. In the beginning of the dance practice, we faced a lot of problems because of the complicated steps. By mutual understanding and hard work between us we were able to achieve it. The dances of the Peacocks are naturally beautiful. In the same way our Children moved gracefully to the music and enthralled the audience. The blend of the colours like the rainbow in the sky, were depicted on stage. Children made a star by using the 'duppattas'. It was a twinkle on the stage. Our twinkling stars of Aysha shool shone big & bright. And in the stanza of "Vanthe Matharam" children proved their "National Involvement". Our children were dressed in beautiful colours of different hues.

எந்திர மனிதன்!

‘எந்திரத்தால் எல்லாவற்றையும் சிந்தித்து செயல்பட முடியாது’, என்ற கதைக்கருவின் அடிப்படையில் எந்திரன் மனிதன் நாடகத்தைச் சிந்தித்தோம்!.....

ஆனால், மாணவிகள் தகுந்த ஒத்துழைப்பு தரவில்லை. எதிர்பார்ப்புகள் அதிகமாக மாணவிகளின் ஒத்துழைப்பு குறைந்ததால் அச்சமயம் கோபம் ஏற்பட்டது. ஆதலால் மாணவிகளுக்கு கதையின் கருவை விளங்கச் செய்து, ஆர்வத்தை மிகுதிப்படுத்தி நாடகத்தில் எதிர்பார்த்த அளவிற்கு மேலாகவே பயிற்சியில் ஈடுபட்டனர். ஆண்டுவிழாவின் போது மாணவிகள் மிகுந்த ஆர்வத்துடன் நடித்து பார்வையாளர்களின் பாராட்டினைப் பெற்றபோது எங்களது ‘கண்ணீர் அனுபவம் களிப்பினில் முடிந்தது’ என்று மகிழ்ச்சியில் திளைத்தோம். இதற்கு கல்வி இயக்குநர் மற்றும் முதல்வரின் உற்சாகமும், ஒத்துழைப்பும் அடிப்படைக் காரணமாக அமைந்தது. மீண்டும் அடுத்த ஆண்டு விழாவை எதிர் நோக்கி நாங்கள் மிகுந்த ஆர்வத்துடன் காத்திருக்கிறோம்.

## ARTICLE ABOUT SCHOOL TOUR

### STUDENTS

#### **Most Memorable Tour:**

We went on a tour to Rameshwaram on 14<sup>th</sup> Feb at Morning 5.30 am by train. We all met at the railway station and were soon settled in the train to leave to Rameshwaram. We think, we have never enjoyed so much and had great fun before. Oh! We forgot about the “Pamban Bridge”, ya it was a cool place and we started shouting the name of our School. We went to Marine Fisheries. It was good, but we were more excited to go and play in the beach. Then we were at the beach, and had a happy time playing with the waves, but that was not for a long time which was very disappointing. After which we retired to the hotel. That night was unforgettable one with our friends. Next day Morning, after taking our breakfast, we went to Ice plant, Rameshwaram temple and made our purchase. The most memorable event about the tour was we visited Dr. A.P.J. Abdul Kalam’s house, and met his brother. What we did not like about the tour was we did not get any chance of wearing our casual dresses. The dresses were just adding weight to our luggages. At last, our tour came to an end with lots of tiredness. But the journey on our way home was more interesting, because the last hour we did not care about anything and started enjoying, by imitating our teachers and singing & dancing. Even though there were many difficulties, this Rameshwarm tour was an unforgettable one. At this moment we whole heartedly thank our Jamal Institution for this great memorable opportunity.
