REPORT
INTERNAL QUALITY ASSURANCE CELL (IQAC)

A one day seminar on "Creating competitiveness in higher education - A TQM approach" was organized by Internal Quality Assurance Cell (IQAC) of Jamal Mohamed College on 8th Dec-2010. Dr. P. Arangasamy, Prof, of English, Periyar Maniammai University inaugurated the seminar and gave the key note address. He emphasized the basic requirements of a teacher and the need for acquiring updated knowledge in their field to meet the present day challenges. Dr.G.R.K.Raju, Chief Works Manager (Rtd), Golden Rock, spoke on the applications of TQM in teaching learning and evaluation. Mr.Johanan Daniel, Project Consultant, Apollo hospitals, Chennai highlighted the importance of ICT enabled teaching and learning in the process of Quality enhancement. Dr.M.Sheik Mohamed, Principal of the college focused on the role of teachers in producing students with versatile talents, in his presidential address. Around 320 participants attended the seminar. Papers were also presented during the seminar on the above theme. Earlier Dr.M.I.Fazal Mohamed, Co-ordinator, IQAC, welcomed the gathering and Dr.A.Mohamed Ibrahim, HOD of English proposed a vote of thanks.
