## Welcome to DELNET

DELNET was started at the India International Centre Library in January 1988 and was registered as a society in 1992. It was initially supported by the National Information System for Science and Technology (NISSAT), Department of Scientific and Industrial Research, Government of India. It was subsequently supported by the National Informatics Centre, Department of Information Technology, Ministry of Communications and Information Technology, Government of India.

DELNET has been established with the prime objective of promoting resource sharing among the libraries through the development of a network of libraries. It aims to collect, store, and disseminate information besides offering computerised services to users, to coordinate efforts for suitable collection development and also to reduce

### Union Catalogue of Books

DELNET maintains an online union catalogue of books available in its member-libraries. This union catalogue is continuously updated and is growing in size. The information can be retrieved by author, title, subject, conference, series, etc. It has 3,52,45,416 bibliographic records. The request for inter-library loan can be placed through the online system.

### Union List of Current Periodicals

DELNET has created union lists of current periodicals in science and technology, social sciences and humanities. This database is available online to DELNET users. It now lists 1,04,569 periodicals and is regularly updated and new titles are added annually. It is a major resource for Document Delivery Services.

### Union Catalogue of Periodicals

DELNET maintains a union catalogue of periodicals, which contains full holdings data of the libraries. At present, the database contains 20,235 records.

### Database of Periodical Articles

The database has details of articles which can be searched under the title, author, compiler, name of the periodical and subject. The database is being extensively utilised by the researchers and scholars. At present the database contains 11,24,250 records.

### CD-ROM Database

A bibliographic database of CD-ROMs available with the member-libraries is being compiled. It has 61,750 records.

### Union List of Video Recordings

This is a database of video cassettes available in DELNET member-libraries and has about 6,000 listings.

### Union List of Sound Recordings

This union list consists of audio cassette records available in member-libraries. This database has 1,025 records.

### Database of Theses and Dissertations

A database of Theses and Dissertations submitted to Indian Universities has been started, which covers various subjects. The database has 1,30,753 records.

### Union List of Newspapers

The database has 70 records and contains information about the newspapers including title, name of the editor, published from, E-mail address and also the Web address of the INTERNET edition if available on the WWW.

### Database of E-books

It has nearly 1613 records.

### Profile of Member-Libraries

A directory of member-libraries is available and contains information about them.
