PG and Research Department of Botany, Jamal Mohamed College organized an **Invited Lecture Programme to "Commemorate the Fungus day– A Focus on Pharmaceutical Lead Metabolites from Filamentous Fungi"on** 26.10.2021 at 11.00 AM to 1.00 PM.

The program started with Quirath and **Dr. M. Ghouse Basha**, Head of the Department and Dean of Science welcomed the gathering. **Dr. R. Radhakrishnan**,Assistant Professor and Vice President of Botany Association introduced the special guest,**Dr. M. Murugan**, Assistant Professor and Head, Department of Microbial Technology, School of Biological Sciences, Madurai Kamaraj University, Madurai, Tamil Nadu. Delivered on a special lecture on "**A Focus on Pharmaceutical Lead Metabolites from Filamentous Fungi**".

Dr. R. Ravikumar, Assistant Professor and Deputy Controller of Examination proposed a vote of thanks. Twelve faculty members and thirty three students attended the program. The lecture delivered by the resource person would be useful to the students and got exposure in the field of fungal metabolites for medical applications.

We thank our management, Principal, Dr. M. Ghouse Basha (Head of the Department and Dean of Science), Dr. A. Shajahan (JMC-DBT Star College Scheme coordinator), Dr. H. Syed Jahangir (Deparment DBT Star College Scheme coordinator) and faculty members of Department of Botany for their support to conduct this programme. We thank Department of Biotechnology, Government of India for the financial aid to this programme. Thank you one and all.

Profile of the College

Jamal Mohamed College (Autonomous) is a premier minority first grade Government aided institution established in the year 1951 with the primary objective of offering quality higher education to the socially disadvantage sections of the society. As a multi faculty monument, the institution has 23 UG and 21 PG courses. 17 Departments of the College are offering research program. The institution was bestowed with Five Star status in 2002 and garnered renown and recognition with autonomy in 2004. The UGC awarded a status of "College with Potential for Excellence" during the year 2011-2012. The quality performance and meritorious service brought our institution the extension of 'A' Grade by NAAC upto 2023. The college has obtained the prestigious 66th rank among top ranking institutions in NIRF Rankings-2021.

Department of Botany

The Department of Botany, Jamal Mohamed College was established in 1967 as UG department, upgraded to PG level in 1985 and elevated as research department offering M.Phil., and Ph. D., programmes from 2002. The hallmark of this department is its excellent infrastructure facilities. The department has a good library, three lecture halls each equipped with a smartboard facility. The department has advanced instruments such as High Performance Liquid Chromatography (HPLC), UV-Visible Spectrophotometer, 2-dimensional gel electrophoresis , Thermocycler and Plant tissue culture Lab facility to pursue research with high standard. Keeping pace with the advanced knowledge, the department has been updating the curriculum regularly. The department has successfully completed the University Grants Commission sponsored innovative programme - PG Diploma in Biodiversity Informatics during 2013 - 2018 with a grant of Rs.55 lakhs. The department has received grants for research projects from different funding agencies to the tune of more than Rs. 60,00,000 lakhs during the period 2006 to 2022. The department has also received grants from various funding agencies like DST-SERB, DBT, UGC and TNSCST to conduct the National seminars, workshops and hands-on training. In the year 2016, the Department of Botany was recognized by the Department of Science and Technology for improving the instrumentation facility under the FIST programme. In the year 2019, the Department of Biotechnology, Government of India supported to improve the Undergraduate program under DBT Star College Scheme. Diploma in horticulture program started with the support of NSQF, UGC. The Department of Botany conducting training, internship program on Remote Sensing and Geoinformatics. More than 65 students have been awarded Ph.D., degrees from the department. As high as 100 research articles were published in peer-reviewed journals. Students of the our department constantly bring laurels by securing ranks in the Bharathidasan University Combined Ranking Examination every year.

About the Seminar

The Seminar will focus on the latest advances and cutting edge research in the field of Biological Sciences. It will serve as a good platform to gather a number of senior scientists and experts from reputed Laboratories, Universities and Research Institutes in India. Young scientist and students can utilize this as an opportunity to have an effective interaction with eminent personalities and to understand the latest Research Advancements in the frontier areas of Biological Sciences.

Financial Grant	:	College Management Contribution

Day 1: 25th May 2022

The registration of the National seminar was started at 8.45 to 9.45 am on 25.05.2022. Exactly at 10.00 am the inauguration of the seminar proceeded with Quiruth by Mr. A.S. Mohamed Asarudeen (II M.Sc., Botany) recited few verses from Holy Quran followed by Tamilthai Vazthu. Dr. M. Ghouse Basha, Associate Professor and Head, Dean Faculty of Science, Department of Botany welcomes the gathering. At 10.15 am National Seminar organizing secretary Dr. N. Ahamed Sherif briefly explained the theme of the seminar followed by Dr. S. Ismail Mohideen, Principal delivered presidential address. Our Honorable Secretary & Correspondent and Dr. G. Subramaniyan, Founder Director, NFMC Bharathidasan University offered felicitation. Dr. A. Aslam, Assistant Professor of Botany, introduced the chief guest Prof. Dr. M. Krishnan the Honorable Vice-Chancellor, Central University, Thiruvarur, Tamil Nadu.

In the Inaugural address Prof. Dr. M. Krishnan the Honorable Vice-Chancellor visibly point out the important of innovative research for the development of society and necessary for global competition and also explained the involvement of various fields such as Biomolecules, Gene Therapy, Bio systems, Bio machines and Biocomputing contribute in the biological sciences research. Further insist that the teachers and students should concentrate beyond their syllabus for collaborative research with different disciplines and become experts in innovative research. Similarly researchers have to think about sustainability and environmental ethics based research. At the same time we have to inculcate our indigenous knowledge and technology for social development.

Totally 105 abstracts were received from different disciplines of Biological Sciences such as Biodiversity Conservation, Compost Technology, Ethnobotany, Microbiology, Nanotechnology, Plant Reproductive Biology, Plant Tissue Culture, Phytochemistry and Waste Recycling Technology. The seminar abstracts have been released by Honorable Vice Chancellor and received the same by our Honorable Secretary & Correspondent, Assistant Secretary, Principal, Member & Honorary Director and former Director NFMC, Bharathidasan University, Tiruchirappalli. Dr. H. Syed Jahangir, Associate Professor of Botany proposed vote of thanks.

The technical session one was initiated at 11.30 am by Dr. V.R. Ravi, Senior orthopedic consultant, Director, Mother Cell Regenerative Centre, Maruthi Hospital, Tiruchirappalli and delivered a lecture on "Advances in regenerative medicine and stem cell research". Webinar-I "Drug Discovery" (6th July 2021)

REPORT

PG and Research Department of Chemistry, Jamal Mohamed College (Autonomous) organised a JMC Chem Webinar Series 2021-22 titled "Drug Delivery" (Webinar-I) on 6th July 2021 at 11.00 am through zoom cloud meeting for the benefit of the budding chemists. Around 437 participants registered, and 185 participants participated in the programme. Earlier Dr. R. Abdul Vahith, Assistant Professor of Chemistry, recited a few versus from the Holy Quran. Dr. M. Mohamed Sihabudeen, Additional Vice-Principal and Head of the Department of Chemistry welcomed the gathering. Dr. S. Ismail Mohideen, Principal, delivered the presidential address. Dr. A. Jafar Ahamed, Coordinator of Webinar series, introduced the resource person. **Dr. V. Raj, Professor and Head,** Department of Chemistry, Periyar University, Salem, delivered a special lecture on **"Drug Delivery"**. The session was very informative manner. All the participants got enlightened in the field of drug delivery and multi functionality of biopolymers. At the end of the session, we posted the feedback link in the chat box of zoom cloud meeting. All the participants received their participation e-certificates. The success of the programme was revealed by participants feedback. Dr. N. Mujafarkani, organising secretary, proposed a vote of thanks and acted as a moderator throughout the session.

We thank our magnanimous Management Committee Members Dr. A.K. Khaja Nazeemudeen, Secretary and Correspondent, Hajee M.J. Jamal Mohamed, Treasurer, Dr. K. Abdus Samad, Assistant Secretary, Dr. K.N. Abdul Kader Nihal, Member and Honorary Director and our vibrant Administrators Dr. S. Ismail

PG & Research Department of Chemistry organised an Invited Lecture Programme (Interdepartmental) on "Impact of Pesticides on Environmental and Human health" under DBT star college scheme on 27th October 2021 at 10.30am at Chemistry Department seminar hall.

The Programme was started with the invocation by Mr. Abdul Rahman of II BSc Chemistry 'A'. Dr.M.Syed Ali Padusha, Additional Coordinator of DBT of our college, welcomed the gathering and introduced the resource person.

Dr. N. Vasimalai, Assistant Professor of Chemistry, BS Abdur Rahman Crescent Institute of Science & Technology (Deemed to be a University), Chennai was the resource person.

He enlightened the gathering with his lecture on the advantages of Pesticides in Agricultural field. He also explained the connection between impact of insecticides on human health and the elevated incidence of human diseases such as cancers, Alzheimer, Parkinson, asthma, bronchitis, infertility, birth defects, obesity, respiratory diseases and organ diseases. Ninety-one Students from Botany (04), Chemistry (82) and Zoology (05) departments of our college attended the programme. Students interacted with the resource person and clarified their doubts. Dr. S. S. Syed Abuthahir, Assistant Professor of Chemistry proposed a vote of thanks.

The Programme was conducted on 04th December 2021 at 10.00am at Chemistry Department seminar hall.

The Programme was started with the invocation by Mr. Syed Abuthahir of III BSc Chemistry 'B'. Dr.R.Abdul Vahith, Additional Coordinator of DBT of our department, welcomed the gathering and Dr.M.Syed Ali Padusha, Additional Coordinator of DBT of our college, presided over the programme.

Dr. D. Suresh, Assistant Professor, Department of Chemistry, School of Chemical and Biotechnology, SASTRA Deemed University, Thanjavur, was the resource person for the programme. He explained the fundamentals of UV-visible spectroscopy and elaborated the techniques of Ultraviolet-visible spectroscopy and also its applications different fields of science like bacterial culturing, drug identification, nucleic acid purity checks, quantitation and are quality control in chemical research. Students raised questions on UV-visible spectroscopy resource person clarified for their questions.

Students of Chemistry (74) and Physics (04) departments of our college attended and benefitted out of this programme. Dr. S. S. Syed Abuthahir, Assistant Professor of Chemistry proposed a vote of thanks.

Report

A Faculty Development Programme on 'Building an innovation ecosystem in colleges' was held on 10.01.2022 at 10.30 am under DBT Star College Scheme at Hussainudeen Hall.

The Programme was started with the invocation by Dr. R. Abdul Vahith, Assistant Professor of Chemistry. Dr. M. Mohamed Sihabudeen, Additional Vice Principal, Associate Professor and Head, Department of Chemistry, welcomed the gathering. Dr. S. Ismail Mohideen, Principal, delivered the presential address. Dr.M.Syed Ali Padusha, Associate Professor of Chemistry introduced the resource persons.

Dr. S.Senthamarai, Associate Professor and Head, Department of Economics and Dr.Sujadha Ilangovan, Assistant Professor, Department of Zoology, Holy Cross College(A), Tiruchirappalli, were the resource persons. In this first session Dr. S.Senthamarai explained how to motivate the students for taking up innovative projects in their respective domains. Dr.Sujadha Ilangovan highlighted the activities are to be carried out to motivate the students for identifying the problems and their solutions in their locality.

In toto 107 staff members of various deparments of our college attended this programme. Dr.M.Syed Ali Padusha, Associate Professor of Chemistry proposed a vote of thanks.

Report

Faculty Development Programme on "Role of Ionic Liquids" organized PG & Research Department of Chemistry under DBT Star College Scheme on 04.03.2022.

The Programme was started with the invocation by Dr. R. Abdul Vahith, Assistant Professor of Chemistry. Dr.A.Jafar Ahamed, Associate Professor of Chemistry welcomed the gathering and introduced the resource person. Dr. M. Seeni Mubarak, Associate Professor, Department of Chemistry, delivered the presidential address.

Dr. A. Ilangovan, Professor of Chemistry, Dean, Faculty of Science Engineering and Technology Bharathidasan University, Tiruchirappalli-24, was the resource person.

He enlightened the gathering with insights on the role of ionic liquids by highlighing the advandages of ionic liquids as catalyst in synthetic organic compound. Various type of catalyst, their nature, properties and uses in carrying out different chemical reactions aiming to improve the yield of product were explained. Thirty faculty members including faculty members from Department of Botany and Zoology of our college attended the programme. Participants interacted with the resource person and clarified their doubts. Dr. S.S.Syed Abuthahir, Assistant Professor of Chemistry proposed a vote of thanks.

REPORT OF THE CONFERENCE

7th International Conference on Innovations In Chemical and Environmental Research -ICICER-2022 (Blended Mode)

PG and Research Department of Chemistry, Jamal Mohamed College has organized **7th International Conference on Innovations In Chemical and Environmental Research** (ICICER-2022) on 25th May 2022 in a Blended mode. Around 125 research articles from various frontier areas of Chemistry have been presented by the delegates from various parts of the nation.

The Organizing Committee of **ICICER –2022**, had adopted the theme "**Recent Advances in Chemical and Environmental Sciences**" for the event. The main Objective of this conference is to bring together experts from academic institutions, Industries, Research organizations for sharing their knowledge in the recent trends of Advances in chemical sciences.

The inauguration of the conference is initiated with the Qirath by Mr. **S. Riyaz Ahamed,** of II. M. Sc., Chemistry. **Dr. M. Mohamed Sihabudeen**, Additional Vice-Principal & Head of the department, welcomed the gathering and presided over the function. The theme of the conference was delivered by **Dr. S. K. Periyasamy,** Assistant Professor of Chemistry & Organizing Secretary, ICICER -2022. The souvenir of the conference was released by **Dr. M. Mohamed Sihabudeen**, Additional Vice-Principal & Head of the department of chemistry, Jamal Mohamed College, followed by the first copy of the souvenir was received by **Dr. M. Seeni Mubarak**, and **Dr. A.N. Mohamed Kasim** Associate Professor, Department of chemistry and Jamal Mohamed college .**A. Jafar Ahamed, Associate Professor**, introduced the resource person. The Inaugural address and Keynote lecture was given by **Dr. Mohammad Sakhawat Hussain DL**, Principal, College of Science Engineering and Management, London, United Kingdom delivered the keynote address on the topic "**High speed electroforming -A one –step method for Making1-D, 2D and 3-D Bulk Nano- Structure materials**"**Dr. A. Zahir Hussain** , Associate Professor of Chemistry proposed the vote of thanks for the inauguration.

The ICICER-2022 is a forum which brings together the researchers, scientists, and industry professionals to discuss innovative ideas and diverse topics on next generation of chemical science and technology. ICICER-2022 was joined by delegates from different parts of countries like U.K, Bangalore, Hyderabad, Manipal, Malaysia, Kashmir and Bangaladesh .

Technical session-I started with an invited talk, by **Dr. Srinivasan Anandan** Senior Scientist Centre for Nanomaterial's, International Advanced Research, Centre for Powder Metallurgy and New Materials, Hyderabad, Telangana. He delivered the lecture on the topic **"Design, Development and Demonstration of Advanced Nanostructured Materials for Energy Storage Applications".**

Technical session-II began with two parallel talks. **Prof. Dr. N.V. Anil Kumar,** Associate Professor, Department of Chemistry, MIT, Manipal Academy of Higher Education, Manipal, gave a talk on the topic **"Designer Molecules for Pollutants Removal – Insilico Studies"**

The conference featured versatile lectures from the experts across the nation and worldwide. More than 400 Participants includes Researchers, industrialists and students have benefited from this conference. 123 research articles have been presented orally in the 5 parallel sessions. Among that, We have received abstracts all over the globe such as Kashmir, Maharashtra and Bangladesh etc.,

Oral presentation session was held parallely at the technical session-III.

The Valedictian of the conference is initiated with the Qirath by Mr. **S. Riyaz Ahamed,** of II. M. Sc., Chemistry. **Dr. M. Mohamed Sihabudeen,** Additional Vice-Principal & Head of the department, presided over the valedictory function. **Dr. M. Syed Ali Padusha,** Associate Professor of Chemistry, welcomed the gathering and introduction of the chief guest. The Report of the conference was delivered by **Dr. A. Samsathbegum,** Assistant Professor of Chemistry & Convener, ICICER-2022. A keynote lecture on **"Natural Products and Neurodegeneration"** and Valedictory address of ICICER 2022 will be delivered by **Prof. Dr. K.N.S. Sirajudeen,** Head, Departments of Basic Medical Sciences, Kulliyyah of Medicine International Islamic University, Kuantan, Pahang, Malaysia.

Vote of thanks Proposed by **Dr. F.M.Mahmood Ahamed,** Assistant Professor of Chemistry & Convener, ICICER-2022

Conference Report

Title of the Conference: 3rd International Conference on 'Entrepreneurship in Tourism and Hospitality Industries: Perspectives and Realities'

Date : 30th March 2022

The Department of Hotel Management and Catering Science and B.Voc. Tourism and Hospitality Management jointly organized the Third International Conference with the title of 'Entrepreneurship in Tourism and Hospitality Industries: Perspectives and Realities' on 30th March 2022. It was conducted with an aim of bringing together the leading academicians, researchers, scholars, students and industry professionals to exchange and discuss innovative ideas in entrepreneurship of tourism and hospitality industries. Dr.S. Shankar, Associate Professor, Institute of Paleoenvironment and Heritage conservation, Mekelle University, Ethiopia was the chief guest in inaugural function.

The inauguration was started sharply at 10.30 a.m. with a prayer followed by Tamilthai Vazhthu. Dr. A. Jafar Ahamed, Coordinator of the Department of Hotel Management welcomed the gathering. In the august presence of our Assistant Secretary Dr. K. Abdus Samad, the function was presided over by Dr. A. Mohamed Ibrahim, Vice Principal of our college. Chef. P. Hari babu, Operations Manager of Kings Park Grand Hotel, Chennai was also participated in the function as a guest of honour. In his inaugural address, the chief guest pointed out the abundant opportunities found for entrepreneurship in tourism and hospitality industries. He also mentioned the heritage and fame of our great institution and expressed his happiness to be a part of this conference. Chef Haribabu was keen to share his knowledge among the students and he encouraged them to go for start-ups in the field of tourism and hospitality. The participants were from different corners from our country and some of them are from abroad too. Earlier, Dr. K. Abdus Samad, Assistant Secretary of our college released the conference proceedings and Dr. A. Mohamed Ibrahim, Vice Principal received the first copy. The proceedings of the conference consists of 40 research articles and which have been published in the form of edited volume with ISBN (978-81-955893-4-0).

The participants of the conference were given opportunity to listen the speech given by two eminent professors of the field Dr. P. Senthil Kumaran, Professor, Department of Allied hospitality studies, Welcomgroup of Graduate School of Hospitality Administration, Manipal Academy of Higher Education (MAHE), Manipal, Udupi, Karnataka and Dr. Renju Mathai Head of the Department, Department of International Business and Programme Leader, Stenden University, Qatar. These two gentlemen shared their knowledge and interacted with the participants through Zoom.

The inaugural function was followed by technical sessions. First session was chaired by Mr. Sridhar Penogonda, Principal, State Institute of Hotel management & Catering Technology, Trichy. At the end of the first plenary session, the participants and delegates were provided with sumptuous lunch.

Dr. Ankathi Raghu, Associate Professor, Department of Tourism and Hospitality Management, Central University of Tamil Nadu, headed the second technical session. Scholars and academician from different regions of our country presented their research articles.

Valedictory function was started at 3.30 p.m. with a prayer. Dr.A.Jafar Ahamed, Coordinator of the department welcomed the gathering. The conference report was presented by Mr. J. Ashok, Assistant Professor of Hotel Management. Our Principal Dr. S. Ismail Mohideen presided over the function. He appreciated the sincere efforts taken by the department of Hotel Management to organize student development programmes continuously. In his valedictory address, the chief guest of the function, Dr.P.Raja, Assistant Professor of Central University of Tamil Nadu, Thiruvarur, encouraged the students with his enthusiastic speech. Further he added, everyone should identify themselves, their strengths and weaknesses to succeed in their life. Another guest, Chef. P. Melvin, Kitchen manager, Dairy queen Edmonton, Canada shared his experience in cruise lines. He interacted with the students to clear their doubts about getting tourism and hospitality jobs in abroad. He assured to guide and help our students who seek overseas jobs. Later, the delegates distributed the certificates to the participants of the conference. Mr.S.Yoganand, Assistant Professor of Hotel Management presented the vote of thanks. Finally, the function was concluded with National Anthem.

This conference provided a premier interdisciplinary platform for researchers, practitioners and educators to present recent trends and concerns as well as practical challenges encountered and solutions adopted in the field of Tourism and Hospitality entrepreneurship. Around 300 members registered and participated in the conference. The participants came from different corners from our country and some of them from abroad too. During the feedback session, participants expressed their views that they were benefited a lot by attending this conference. Due to the overwhelming response from the academicians of tourism and hospitality and support given by the management committee and Principal of Jamal Mohamed College, the programme was a grand success.

BRIEF REPORT OF THE SCIENCE ACADEMIES' VIRTUAL LECTURE WORKSHOP ON "DIFFERENTIAL EQUATIONS AND ITS APPLICATION"

A two day SCIENCE ACADEMIES' VIRTUAL LECTURE WORKSHOP ON "DIFFERENTIAL EQUATIONS AND ITS APPLICATION" was held in PG & Research Department of Mathematics, Jamal Mohamed College, Tiruchirappalli-20 on 21st & 22nd December 2021. The Lecture workshop was sponsored by the Science Academies, Indian Academy of Science (IASc) Bengaluru, Indian National Science Academy (INSA), and National Academy of Science (NASI) New Delhi. **The Lecture workshop was organized by Dr. Satyajit Roy, F.N.A.Sc, Professor, Department of Mathematics, Indian Institute of Technology Madras, Chennai was the convenor.** Dr. A.Prasanna, Assistant Professor, PG & Research Department of Mathematics, Jamal Mohamed College, Tiruchirappalli-20 was coordinator of this programme.

About the Workshop

The study of differential equations is a wide field in pure and applied mathematics, physics, and engineering. All of these disciplines are concerned with the properties of differential equations of various types. Pure mathematics focuses on the existence and uniqueness of solutions, while applied mathematics emphasizes the rigorous justification of the methods for approximating solutions. Differential equations play an important role in modeling virtually every physical, technical, or biological process, from celestial motion, to bridge design, to interactions between neurons. Differential equations such as those used to solve real-life problems may not necessarily be directly solvable, i.e. do not have closed form solutions. Instead, solutions can be approximated using numerical methods. Many fundamental laws of physics and chemistry can be formulated as differential equations. In biology and economics, differential equations are used to model the behaviour of complex

systems. The mathematical theory of differential equations first developed together with the sciences where the equations had originated and where the results found application. However, diverse problems, sometimes originating in quite distinct scientific fields, may give rise to identical differential equations. Whenever this happens, mathematical theory behind the equations can be viewed as a unifying principle behind diverse phenomena.

Organizing this type of lecture workshop with highly accomplished experts to discuss scientific advances in their chosen fields will also enhance the interest of students to pursue higher studies and research.

A total of 4 lectures were delivered by resource persons. About 277 participants (Faculty-55; UG/PG students-222) from various colleges participated in the workshop by online which includes Department of Mathematics, Jamal Mohamed College B.Sc. Mathematics and M.Sc. Mathematics students (184 students and 33 staff) attended this workshop by blended Mode. Following resource persons gave lectures during the lecture workshop.

1. Prof. R. Sahadevan
Former Director and Head
Former UGC Emeritus Fellow
Ramanujam Institute for Advanced Study in Mathematics
University of Madras
Chepauk, Chennai – 600 005

2. Dr. P. Kandaswamy, F.N.A.Sc.,
Professor & Head (Rtd.)
Bharathiar University
Coimbatore – 641 046

3. Prof. M. Lakshmanan, F.N.A.Sc., F.A.Sc., F.N.A., FTWAS
Professor of Eminence & DST – SERB National Science Chair

The two days lecture workshop was inaugurated by Dr. Satyajit Roy at 9.30 am on 21.12.2021 Through Zoom Meet, Dr.R.Jahir Hussain, HOD (i/c) of Mathematics, Jamal Mohamed College welcomed the gathering. Dr. S. Ismail Mohideen, Principal, Jamal Mohamed College was delivered the Presidential Address.Jamal Mohamed College Management Committee Secretary and Correspondent Dr.A.K.Khaja Nazeemudeen. Assistant Secretary Dr.K.Abdus Samad and Hon. Director Dr. K.N.Abdul Kader Nihal were also joined in this Meeting. Dr. Satyajit Roy Convenor of this workshop gave introductory speech and mentioned the objectives of the lecture workshop. He also explained the various activities of Science Academies'. Dr. S. Ismail Mohideen in his Presidential address thanked the Science academies' for conducting the workshop at Jamal Mohamed College. Finally Dr. A.Nagoorgani, Associate Professor of Mathematics, Jamal Mohamed College Proposed vote of thanks.

On 22.12.2021, The valedictory address was given by Dr. P. Kandaswamy, Professor & Head (Rtd.), Bharathiar University, Coimbatore. He thanked the National Science Academies' for conducting such a grand workshop. In the feedback session, the young and energetic participants expressed their views about the Lecture workshop. They appreciated the lectures delivered by resource persons and the good virtual arrangements made by the Jamal Mohamed College. Dr. A.Prasanna, Coordinator of the program presented the report of the programme. At the end Mr. S.Masoothu, Associate Professor of Mathematics, Jamal Mohamed College delivered vote of thanks. He especially thanked, convenor Dr. Satyajit Roy and all the resource persons for the successful completion Lecture workshop. Earlier Dr.A.Mohamed Ismayil, Associate Professor of Mathematics, Jamal Mohamed College welcomed the gathering.

About Science Academies

Indian Academy of Sciences (IAS), Bangalore founded in 1934 by Sir C.V. Raman, aims at promoting the progress and upholding the cause of science in the pure and applied branches. Its major activities include publication of scientific journals and special volumes, organizing meetings of the Fellowship and discussions on important topics, recognizing scientific talent, improvement of science education, and taking up other issues of concern to the scientific community. As part of the science education programmes, the Indian Academy of Sciences, Bangalore in association with the Indian National Science Academy (INSA), New Delhi and Indian National Academy of Sciences (INAS), Allahabad organize programmes for the improvement of science education in the Universities and Colleges throughout the country.

The Science Academies have been supporting two/three-day lecture workshops and fifteen-day refresher courses on topics of current interest throughout the country. All the programmes conducted by the Joint Science Education Panel of the Academies are fully supported by the Department of Science and Technology, GoI. DST has undertaken a series of activities to mark 75 years of India's Independence (AzadiKaAmrutMahotsav). The Mahotsav is a series of S&T programmes and events to be organised to commemorate the 75th anniversary of India's Independence. The curtain raiser activities began from 12 March, 75 weeks prior to 15 August 2022. The lecture workshops/ refresher courses are part of the series in these programmes. The Academy will also organize periodic lectures by eminent scientists. These programs will be adequately expanded in the celebration of the 75 years of Indian Independence.

About the Institution

Jamal Mohamed College was founded in 1951, as an affiliated college to the University of Madras and then affiliated to Bharathidasan University, Tiruchirappalli, when it was formed in 1982. Jamal Mohamed College is situated in the central part of Tamil Nadu, Tiruchirappalli city. It was established as a religious minority institution with the primary objective of providing higher education to the downtrodden and socially backward section of the society in general and Muslim minority in particular.

The college is administered by the Society of Jamal Mohamed College. It is established in a sprawling land area of 87 acres, as a religious minority institution. Hajee M. Jamal Mohamed Sahib and Janab N.M. KhajamianRowther, of revered memory, were the founding fathers of this institution.

In the year 1957 the college got the single honor of being bracketed with the thirty best colleges in India when Dan forth Foundation of USA selected the college for the award of study fellowships in U.S.A. In 1963 the college was elevated to the status of a post-graduate college.
In the year 1972, the college was recognized by UGC New Delhi, for the purposes of Grants under section 2(F) and 12(B) of the University Grants Commission Act 1956. In 1977, on the recommendation of the University of Madras, the UGC recognized the college as one of the ten "Lead colleges" in the university area.

The College was accredited at Five Star Level by NAAC during 2002 and conferred with Autonomous Status by UGC, New Delhi and Bharathidasan University in 2004-2005. In January 2009, the College was accredited by NAAC with A- Grade (2nd Cycle) - CGPA 3.6 out of 4.0. Our College was bestowed with the unique honour of "CPE" status Phase-I and Phase-II by the University Grants Commission under the Scheme "Colleges with Potential for Excellence" in 2011 and 2016 respectively. We retained the 'A' Grade awarded by NAAC during the third cycle of accreditation in 2015.

The college has obtained the prestigious 65th rank among Top ranking institutions in NIRF Rankings - 2021. It is remarkable to state that the college has been recognized with Three Star status by the Institutions Innovation Council (IIC), MHRD Innovation cell, Government of India in 2019. Department of Science and Technology (DST), Government of India has accorded FIST Scheme to the Departments of Zoology, Botany and Physics in 2004 and to the Department of Mathematics in 2008. Again DST FIST Scheme has been extended to the Departments of Mathematics, Physics, Botany, Zoology and Computer Science in 2019. Five Science Departments such as Mathematics, Physics, Chemistry, Botany and Zoology have been short-listed after a meritorious presentation, among many competing institutions and awarded the Star College Scheme by the Department of Bio Technology (DBT) in 2020.

3.3.2 Number of workshops/seminars conducted on Research Methodology, Intellectual Property Rights (IPR), entrepreneurship and skills development during the last five years

Over a period of 70 years the college was able to scale greater heights and raise to the present status as a multi-faculty institution with 25 UG and 21 PG courses. 18 departments of the college are functioning with the status of approved research centres. The college has a strength of around 12000 students. There are 145 Government Aided teaching faculty and 357 staff members are working under the self finance stream. The college celebrated its silver Jubilee in 1971, subsequently the Golden Jubilee and Diamond Jubilee in 2001 and 2011 respectively.
With many milestone achievements, the College has been marching towards fulfilling marvelous plans, matching the vision and mission of our noble founders and the present Management Committee Members. "The Jamal" journey continues with all gentle Jamalians for still more greater heights of glory in higher education.

About the Department

The Department of Mathematics of Jamal Mohamed College, was started as one of the earliest department in the year 1951. B.Sc., and M.Sc Mathematics programmes were started in 1957 and 1960 respectively. The Department was elevated into a research department in the year 2002 by offering M.Phil(FullTime& Part-Time) and Ph.D (Full-Time & Part-Time) programmes. B.Sc Mathematics (Self-Financing Section) was started for women in 2003. M.Sc Mathematics (Self-Financing Section) was started for women and men in 2005 and 2010 respectively. In the year 2008, the Department was identified for the award of FIST – Grant by the Ministry of Science and Technology of Government of India. The Department has highly qualified faculty members actively engaged in teaching, research, continuing education programmes and consultancy. The members of the Department have written 10 books, 91 research scholars were awarded Ph.D degrees, published more than 670 research papers in National and International journals and presented many research papers in National and International Conferences.

ABOUT JAMAL MOHAMED COLLEGE (Autonomous)

Jamal Mohamed College was established in 1951 as a religious minority institution with the primary objective of imparting higher education to the downtrodden and socially backward sections of the society in general and the Muslim Minorities in particular. Janab. M. Jamal Mohamed Sahib and Janab. N.M. Khajamian Rowther of revered memory was the founding fathers of this institution. Over the period of 7 decades, the college was able to scale greater heights and rise to the present status as a multi-faculty institution offering 23 UG courses, 21 PG courses, and 18 Research Programmes by promoting quality and excellence in higher education owing to the sustained efforts and dedicated leadership of the college management committee. The college has student strength of 12000+ and faculty members of 467. In 2008, the college was awarded 'A' Grade with CGPA 3.6 out of 4.0 by NAAC, New Delhi. The UGC has conferred the status of "College with Potential for Excellence" during 2011-12. The college is identified as one among the 45 colleges in India by MHRD, New Delhi to confer degrees. The College was accredited with 'A' Grade by NAAC (Third Cycle) in 2015-16 and ranked as one of the top hundred Colleges (65th rank) in the National Institutional Ranking Framework (NIRF) in 2020-21 by MHRD, New Delhi.

FDP Overview

The importance of data analytics in any sector is intensified, creating enormous quantities of knowledge that can provide useful insights into the field. In the last ten years, this has led to a surge in the data market. In order to gain decision-making insights, the compilation of data can be supplemented by its analysis. Data analytics help organizations and businesses gain insight into the enormous amount of knowledge they need for further improvement in the various performance of the organization and growth.

Data Analytics is the science of analysing raw data that leads to meaningful conclusions and decisions from that data. The techniques and processes of data analytics provide various processes that can be used to translate raw data into human interpretable for decision support. A complete and successful data analytics initiative will help to identify where are you, where you have been, and where you should go. This FDP on data analytics covers many of the data analytic techniques which will provide understanding of data fundamentals and the eco system of data analysis to the faculty fraternity.

Objectives of the FDP

1. To learn the basics of Data Analytics
2. To familiarise the faculty members with the right tools and techniques of multivariate analysis by Using SPSS (Statistical Product and Service Solutions).
3. To introduce fundamental concepts of structural equation modeling by using SmartPLS.

Outcomes of the FDP

1. Know the basics of data analytics
2. Analysing the data using appropriate statistical tools and techniques
3. Apply a variety of data analytic tools
4. Understand structural equation modeling
5. Acquire practical knowledge

For whom

- Faculty members teaching Management, Arts and Humanities with basic knowledge of research methodology.

Timings

- The program timings will be from 15:00 to 17:00 (IST) each day. In first day (16.5.2022) the inauguration begins at 14:30. There will be one lecture session for 90-minute followed by 30-minute discussion on every day.

Summary of Day 1

The first technical session of the FDP was deliberated by **Dr.M.A.SHAKILA BANU**, Associate Professor, Jamal Institute of Management, Jamal Mohamed College (Autonomous), Tiruchirappalli on the topic **BASICS OF DATA ANALYTICS** who introduced the participants about conceptual clarity in the process of research and the steps to be undertaken while pursuing data analysis. The felicitator provides how to enter the data, scale, how to handle the missing data, reliability & validity of data, types of correlation, chi- square, Regression, T-test, ANOVA, with the help of various statistical tools and ends her secession with mediation effect of data in detail. She brought to perceive of all presented in the FDP about the practical problems while doing the data analysis of faculty members and research scholars in doing a research.

The speaker makes the participants to actively engage in the practical discussion and clarify the concepts. Participants were highly satisfied by having clarity in the concepts.

Summary of Day 2 ,3 & 4

The session of day two, three and four was handled by **Dr. G.S. DAVID SAM JAYAKUMAR**, Associate Professor, Jamal Institute of Management, Jamal Mohamed College (Autonomous), Tiruchirappalli

On day 2 the speaker discussed about how to Construction of questioner and various types of research.

On Day 3 he described several points on data matrix.

On Day 4 the resource person gave a brief overview about parametric and non parametric data, pivot table

The resource person makes the participants to actively engage in the discussion and clarify the concepts.

Workshop Overview

Research papers are an excellent platform to disseminate a novel finding to a general or focused audience, which may be interested in replicating the experiments; identifying novel applications for the finding, etc., as well as to popularize your research to the world and prevent duplication of the study. Writing a research paper is the primary channel for passing on knowledge to Researchers working in the same field or related fields. It is important to hone the skill of writing papers to demonstrate your ability to understand, relate to what has been learnt, as well as receive critical peer feedback. During your career, your publications find a valuable place in your resume, and they showcase your accomplishments and communication skills, eventually being a permanent segment of the ever-increasing regime of

knowledge. There is great relevance to research in education. The research papers become the helping hands for the Researchers in future guiding and helping them in research. Researchers need to understand the role of scientific research in society and the importance of scientific research in education as it will ultimately reward them in return.

Teaching methodologies will certainly develop if the teachers tend to do more research and analysis over the topic which is referred as research-oriented teaching. Researchers tend to learn more proficiently and get clarity of concept about a particular subject when they publish their research work systematically. Therefore, it is of utmost importance that every institution should make the research and publication compulsory for Researchers in their academic curriculum.

REPORT OF THE WORKSHOP

A State Level Workshop on "Production and Formulation of Bioinoculants" (an entrepreneurship program) was conducted by the PG and Research Department of Microbiology, Jamal Mohamed College, Tiruchirappalli jointly with Internal Quality Assurance Cell (IQAC) on 31.03.2022 from 9:30 am to 6:00 pm.

The aim of this workshop was to develop and strengthen entrepreneurship quality among life science students. It was mainly focused to provide training assistance on bioinoculants in order to thrive and excel as industrialists. The objective of this workshop was to bring together experts from Academic Institutions, Industries, Research Organizations for sharing of knowledge and experience in the recent researches that have been ongoing with Production and Formulation of Bioinoculants and to discuss innovative ideas and technologies.

At the inauguration Dr. J. Sirajudeen, Coordinator and Convener of the workshop welcomed the gathering. Dr. A. Mohamed Ibrahim, Vice Principal of the College delivered the presidential address. The inaugural address was delivered by Dr. M. Prashanthi Devi, Associate Professor, Department of Environmental Science and Management, Bharathidasan University, Tiruchirappalli. The theme of workshop was delivered by Mrs. K. Vijayalakshmi Assistant Professor of Microbiology.

Dr. A. K. Khaja Nazeemudeen, Secretary and Correspondent of the college offered felicitations.

The technical session started with the key note address delivered by Dr. R. Senthil Kumar, Proprietor, Sri Amman Bio care and SAB Research Centre, Thanjavur. As an expert, he was able to provide hands-on training to the participants on the production of biofertilizer and biocontrol agents. The next session was on the production of Azolla and Spirulina.

The welcome address for the valediction was delivered by Dr. M. Mohamed Mahroop Raja, Member in-charge of the Department of Microbiology. Dr. S. Ismail Mohideen, Principal of the College delivered the presidential address. The report of the workshop was presented by Dr. N. Packialakshmi. The valedictory address was delivered by Dr. A. K. Umera Begam, Head, P.G. Department of Biochemistry, Holy Cross College, Tiruchirappalli. Dr. H. Vajiha Banu Assistant Professor, Organizing Secretary and Vice President of the Microbiology Association proposed vote of thanks.

Around 232 students actively participated in this workshop. All the participants were active, receptive and were interactive during the technical sessions. The invited speakers also shared their expertise on the respective areas in a lucid manner. The workshop proved effective for the students as well as the faculty.

Report

International Online Workshop on Materials Science And Computational Methods

(Under DBT Star College Scheme)

15.02.2022 and 16.02.2022 - REPORT-2022

On the first day 15.02.2022, the inagural session began with the prayer song by Mr.J. Umar Malik, Assiatant Professor of Physics, Jamal Mohamed College, Trichy. Dr. M.Jamal Mohamed Jaffar, Head of the Department of Physics welcomed the gathering and introduced the chief guest of the session. The inaugural address was given by Prof. Mangalaraja Ramalinga Viswanathan, Department of Materials Engineering, Faculty of Engineering, University of Concepcion, CHILE, Latin America . He highlighted the applications of Physics in our daily life. In addition he explained how the material science bridges the science and technology. The Organizing Secretary of the workshop Dr.C.Hariharan proposed a vote of thanks.

In the first technical session, Dr. Dorai Arunkumar, Assistant Professor of Physics, Institute of Multidisciplinary Research for Advanced Materials (IMRAM), Tohoku University, Sendai, Japan delivered a lecture on "Applications of NMR in Battery Research" in which he narrated the fundamental concepts of NMR. He also emphasized the importance of battery research.

Dr. Gurumurthy Hegde, Director, Centre for Advanced Research & Development (CARD), Professor of Materials Science, Department of Chemistry Christ (Deemed to University) , Bengaluru, Karnataka

delivered a lecture on "Liquid Crystals – An Overview". He highlighted various methods of fabricating the liquid crystals and their applications in wide range of fields.

The second day of the workshop 16.02.200 beginned with the technical session by Dr.P.Hemalatha, Assistant Professor of Physics, Government Arts College Coimbatore. She illustrated the methods of solving the crystal structures using softwares. She delivered the lecture on the topic "Software Tools Used for Solving Crystal Structures". She also forecasted some of the future applications of softwares in solving the crystal structure.

On 16th February 2022, Dr.K.A.Z. Syed Abuthahir, Assistant Professor of Physics, Dr. Zakir Husain College, ilayangudi delivered a session on "Simulating and Visualizing the Physical World with "Processing". He discussed the methods of simulating the physical phenomenon using Python. He also motivated the participants that they must create a passion towards research in simulation modeling.

The valedictory session was given by Dr.Basherrudin Mahmud Ahmed Assistant Professor of Physics, School of Physics, Madurai Kamaraj University, Madurai on "Materials Modeling". In this occasion he showered us with the ideas on materials modeling. He made us to understand the various dimensions of materials modeling. Finally, the vote of thanks was proposed by Dr.C.Hariharan, the organizing secretary of the workshop. The workshop attracted 600 registration from various parts of the country. The workshop was conducted online via Google meet with around 135 participants. E-certificates were issued for all the participants who submitted the feedback for all the session.

National Seminar on
INNOVATIVE RESEARCH APPROACHES IN VACCINE TECHNOLOGY
[Under DBT-Star College Scheme]

28th May 2022

Seminar Report

A one-day **National Seminar on INNOVATIVE RESEARCH APPROACHES IN VACCINE TECHNOLOGY"** (IRAVT - 2022) was organized in the P.G Department of Zoology, Jamal Mohamed College (Autonomous), Tiruchirappalli on the 28th May 2022. Vaccine Technology, Animal Biotechnology, Drug design and Delivery, Eco-toxicology, Cancer Biology, Molecular Biology, Immuno-technology, Radiation Biology, Microbiology and Stem Cell Biology were the theme areas of the Seminar.

Dr. P. GNANAGURU M. D. Professor and Head, Department of Microbiology, Govt. Medical College, Tiruchirappalli-01, inaugurated the Seminar in the morning and delivered a lecture on "**VACCINE, VACCINE TECHNOLOGY AND RECENT UPDATION"**. Dr. Mohamed Ibrahim, Vice-Principal, Jamal Mohamed College presided over the function and Management Committee Members felicitated the gathering. Dr. I. JOSEPH A. JERALD, Associate Professor and Head, Dept. of Zoology welcomed the gathering and Dr. M. ANEEZ MOHAMED, Associate Professor, Dept. of Zoology proposed a vote of thanks.

As many as 20 delegates from reputed institutions participated in the event and a few research abstract were received from Faculty members, Research scholars, UG and PG students. All the accepted research works would be published in the form of an Abstract Book. The soft copy of the version was also released as a CD in the Inaugural session. I whole heartedly thank all the participants for their immense contribution in the form of abstracts of their research works. A remarkable thing to mention here is the enthusiasm and interest of faculty members shown for presenting their significant research findings. All the research scholars together with the faculty members have succeeded in their attempts to present their papers which

helped to motivate young minds and create a scientific temper among the student community. In recognition of their efforts, we have also distributed prizes for the best presentations.

The second session was continued by a lecture given by **Dr. P. RAMALINGAM**, Senior Scientist, ICMR- National Institute for Research in Tuberculosis (NIRT), Chennai-31 on "**COVID-19 : VACCINE STRATEGIES**". He has discussed the role of Vaccine and various modern Vaccine techniques, in understanding the problems associated with Human disease and Pharma science.

In the afternoon session a lecture on "**ANTIDOTE FOR CANCER**" by **Dr. M. RAM MOHAN, Director, Cheran College of Pharmacy, Coimbatore** was delivered. His talk was informative with details of his studies regarding brest cancer and the drugs screened for it at the National University of Singapore.

Dr. M. RAM MOHAN Director, Cheran College of Pharmacy, Coimbatore delivered the valedictory address. Dr. S. ISMAIL MOHIDEEN, Principal, Jamal Mohamed College presided over the Valedictory session. Dr. A.K. KHAJA NAZEEMUDEEN, Secretary and Correspondent of the College, Hajee M.J. JAMAL MOHAMED, Treasurer and Dr. K. Abdus Samad, Assistant Secretary, felicitated. Certificates along with prizes for the best paper presentation were awarded. Before which Feedback of the Seminar was given by participants. A detailed report of the Seminar was readout by Dr. R. Krishnamoorthy the Organising Secretary of the Days' proceedings and finally the programme came to an end with the Vote of Thanks proposed by Dr. A. Sadiq Bukhari, Assistant Professor, Dept. of Zoology, Tiruchirappalli.
