Trichy - 20.

Respected sir,

The following students of I B.Sc.[IT] and I B.Sc. [CS] -“C” from your college have conducted JAMCROP extension activity in our school. All of them gave an excellent experience to our students. They carried out plumbing work by installing 16 taps in the bathrooms and also provided 10 aluminium buckets with mugs each. They also conducted awareness program for all students and they offered groceries and biscuits to the inmates of the old age home. They also donated used dress to the students. Finally the students distributed snacks to the children. We shall be very happy and privileged to welcome you all to our school every year.
