Report

Report of the Programme

Our MID Dr. S. Abdul Saleem Sir presented the felicitation. Our college staff Dr. M.A. SHAKILA BANU addressed the students on Women Empowerment. She has started her lecture by explaining what women empowerment is and she created awareness about the women's rights. Along with rights, she taught how to be self-independent in all aspects of our lives. She also taught how to create a space for them where they can grow and become they want to be. The speaker emphasized the importance of education and shared some ideas to create an environment for women where they can make their own decisions.

5.1.3. Following Capacity development and skills enhancement activities are organised for improving students capability 1. Soft skills, 2. Language and communication skills, 3. Life skills (Yoga, physical fitness, health and hygiene), 4. Awareness of trends in technology

Outcomes of the Program

In the feedback the girls said that they had got an idea on how can they protect themselves and develop their life. There is evidence of strong positive links between women's economic empowerment and foundational health outcomes for women and their families, including beneficial effects on nutrition, family planning, maternal mortality, and child mortality.

REPORT

The PG & Research Department of Computer Science has organized a programme on "Soft Skills Development" for I B.Sc [CS] students in association with S.A Career Development Centre, Trichy held on 17th March 2021 at Computer Science Seminar Hall. Dr. G. Ravi, Head, Department of Computer Science welcome the gathering. Dr. A.B. Mohamed Shanavas, Vice President of Computer Science Association introduced the resource person. The Programme focused on the Leadership skills, Team work, Communication Skills, Problem Solving Skills, Work Ethics, Flexibility and Adaptability and Interpersonal Skills. During the programme, the participants shared opinions, thoughts, made interaction and worked as a team.

Totally, 46 students were participated. For each skill, activity based training has been given. During the day, the students had the opportunity to learn the skills which are needed for the survival in the industry. Finally, the students gave excellent feedback.

OUTCOMES OF THE PROGRAME

OUR CHIEF GUEST GAVES SPEECH ON TIME AND OPPORTUNITY

HOW WE SHOULD SEPARATE THEM ON THE BASIS OF

1. **Alignment:** The opportunity should be in alignment with the overall vision and mission of the enterprise.
2. **Advantage:** No advantage equals no opportunity. If the opportunity doesn't provide a unique competitive advantage it should at least fill a void bringing you closer to an even playing field.
3. **Assessment:** Is the opportunity affordable, feasible, adaptable, and most importantly, is it actionable.
4. **Accountability:** Keep in mind great ideas are not always the same thing as great opportunities.
5. **Achievement:** Opportunities are great, but achievements are better.

Outcomes

After the session students felt much benefited with such a good time and were even willing to attend regular sessions like this. The speaker focused on making the students build positive 'Self- Esteem' and discover their true potential. It covered the key elements required for a student to be successful in academics and their life.
