Fractions in Mathematics

What is a fraction anyway? A fraction is a number between zero and 1. It looks like one number on top of another number. That's not so difficult is it? With this course, learning fractions can become really simple. Anybody struggling with fractions can use it as a helpful study aid full of helpful fractions exercises, so they can get past this tricky little subject in no time. So go on, give the course a go and make learning fractions as easy as 1 2 3!
