## PROFILE OF THE COLLEGE

Jamal Mohamed College was founded in 1951, as a religious minority institution with the primary objective of providing higher education to the downtrodden and socially backward sections of the society in general and Muslim minority in particular. Janab. N. M. Khajamian Rowther and Hajee M. Jamal Mohamed Sahib of late revered memory were the founding fathers of this institution.

The college is now a multi-faculty institution offering 25 UG courses, 20 PG courses, 17 M.Phil and 17 Ph.D Programmes. Also the college offers 18 UG, 15 PG, 17 M.Phil and 17 Ph.D Programmes for women empowerment. The total strength of the college now is 11,203 students including 4,124 women students with a dedicated team of 485 teaching and 280 non-teaching members of staff. But for the existence of this institution, thousands of aspiring youth would not have had the opportunity of acquiring higher education and settled in life in various covetable positions like IAS, IPS Officers, Doctors, Engineers, Computer Professionals, Scientists, Business Magnates and Industrialists.

We pray to the Almighty Allah to reward Janab. N. M. Khajamian Rowther and Alhaj M. Jamal Mohamed Sahib of late revered memory, the noble founders of this great institution with heavenly abode with all His Blessings. We, on this auspicious occasion are bound to remember with gratitude all the successive members of the College Management and Principals whose wisdom and selfless service raised the stature of this great institution to greater heights.

### **Puthumai Penn Scheme needed**

The documents needed for the scheme are listed below:

- Aadhar card or voter ID.
- Residential Proof.
- Guardian's/ parents' mobile number.

### **Pudhumai Penn Scheme Benefits**

The following is a list of the advantages of the Pudhumai Penn Scheme:

- The Pudhumai Penn Scheme is different from other schemes since it focuses on providing financial assistance, encouraging female students to continue their education, and discouraging parents and guardians from allowing their daughters to be married at a young age.
- Because of the foresight to focus on contemporary circumstances, the **Puthumai Penn Scheme** is going to usher in a new era of innovation within the next several years.

- A monetary award of Rs 1,000 per month will be provided to female students who are pursuing an education till they have either graduated or earned a certificate or diploma, irrespective of the field.
- Because it is common knowledge that female students in our country are discouraged from pursuing an education, this program offers a boost to the confidence of young women.
- The scheme aims to help 6 lakh females per year and has been budgeted at Rs 698 crore.
- Under Pudhumai Penn, money would be immediately paid to student bank accounts to assure their education. This means there will be no mediator in receiving money, just the children and the bank.
- The plan discourages child marriages and empowers women. They shouldn't accept anything that hurts their pride.
- Debit cards were given out to a total of 613 students during the initial phase of the plan.
- Talking about the initial stage of the scheme, this will be beneficial to around 6,500 students in the Tiruchirappalli district who are now enrolled in institutions of the arts, sciences, and engineering.

Besides the Government Scholarship, scholarship sponsored by Alumni, well-wishers and donors is **Rs. 70,25,681/- (Rupees Seventy Lakhs Twenty-Five Thousand Six Hundred and Eighty-One Only) benefiting 937 students.**

I appreciate the sincere efforts of **Dr. R. Jahir Hussain**, General Secretary and **Dr. M. Syed Ali Padusha**, Assistant General Secretary - JMC Alumni Association, and **Dr. U. Abuthahir**, Assistant Professor, Department of Mathematics for extending their strong support in mobilising funds, identifying the deserving students in the disbursement of scholarships and also for the effective functioning of Alumni Association activities.

## DEENIYATH and MORAL EDUCATION (MEN & WOMEN)

### CENTRE FOR HUMAN EXCELLENCE

The Centre for Human Excellence was established in the academic year 2020-2021 to bring in academia pertaining to Ability Enhancement Courses under one roof such as Value Education, Soft Skill, Environmental Studies, Gender Studies along with Foundation Courses Deeniyyath and Moral Education. To enhance our students' interest and involvement on these VITAL COURSES the evaluation pattern was converted to cent percent ACTIVITY BASED learning from the academic year on.

### FACULTY DEVELOPMENT PROGRAMME

Deeniyyath and Moral Education have always been the prime aim of education at Jamal Mohamed College. The mission of the College is to offer quality education inculcating and nurturing ethical, spiritual, moral and human values. As a step forward towards the motto of the institution "Show us the right path", an orientation programme was conducted on 17<sup>th</sup> and 18<sup>th</sup> August 2022, with the main theme "Effective Teaching of Moral and Deeniyyath Education" to all our Foundation Course Instructors. The programme was jointly executed by the **Internal Quality Assurance Cell** and the **Centre for Human Excellence** which is bestowed with the responsibility of grooming our Value Education and Ability Enhancement Courses at the College as well.

The first day (Wednesday, 17<sup>th</sup> August) of the programme was to concentrate on the effective teaching of **Deeniyath Education** to our students both men and women. **Moulvi Sirajudheen**, Imam, Makka Palli, Mahalakshi Nagar, Tiruchirappalli, **Moulvi Rahmathullah**, Hasani, Imam Sirugamani Masjith and **Moulana Moulvi Hajee E. Mohamed Sharif Yousufi**, Nijami, President, Jamaathul Ulama Sabai, Tiruchirappalli, were the Resource Persons to offer an inspirational session to all our UG and PG instructors of Deeniyath Education in three different seminar halls at parallel sessions. As many as 140 faculties took part and were benefited.

The second day session on Thursday, 18<sup>th</sup> August focused on Teaching of Morals and its significance. The guest speakers were **Dr. A. Syed Zakir Hasan**, Head, Department of Tamil, **Dr. T. Selvaraju**, Associate Professor of Tamil, along with **Mr. A. Mohamed Ismail**, Assistant Professor of Arabic who emphasized the importance of inculcating Moral values to the pupils of modern days. The sessions were parallelly conducted in Commerce Gallery, Hussainudeen Hall and Zoology Seminal Hall. In total 116 faculties were the beneficiaries. All the participants invariably felt that the proceedings of the two days were informative, inspirational and purposeful.

## **LIFE SKILLS DEVELOPMENT FOR STUDENTS**

Jamal is a Divine gift to Humanity. Though a minority institution, it is a Centre for higher learning for people of all walks of life irrespective of any religion, caste or creed. Jamal focuses on life oriented education, stressing the importance of values, societal ethics and acquiring skills. It is very much befitting in this context that the Centre for Human excellence that took its inception in the college the previous year was granted an opportunity to organize a motivational lecture cum training programme on **LIFE SKILL DEVELOPMENT** to all the first year undergraduate men and women students. Two days programme was conducted in the N.B. Abdul Gafoor Auditorium on 29<sup>th</sup> and 30<sup>th</sup> September 2022, both morning and evening for men and women students respectively.

**Dr. I. Jegan** fondly known as Ilaya Abdul Kalam, the motivational trainer was the resource person from “**Fynn soft success solutions**”, Madurai who handled all the four sessions (two each for men students during forenoon and two for women students during afternoon) on the scheduled dates. The resource person’s enormous resourcefulness through

his speed, powerful sessions and mass counseling experience along with the terrific power point presentation ably operated by his sound engineer Mr. Louis touched and won the heart of every listener.

The sessions were very enlightening and inspirational to all our young Jamalians. The video clippings and animations chosen for portrayal were most appropriate and encaptivating the young minds. A few film songs chosen for background music were so classic and apt to the situation. His reverential highlight on the role of parents, teachers and elders quoted was really worth mentioning. Towards the end of the sessions, the time for introspection of students' conscience led all our participants sincere and serious. It truly melted their hearts so much so that many came out emotionally bursting out in tears at the feedback and submitted for restarting their youthful days as good and noble children / wards to their parents and teachers. Of course during the course of the session there was roaring laughter, thunderous applause, jubilant jump and rejuvenating response from our students and the talk was very interesting to them all. The examples and anecdotes cited by Dr. I. Jegan were greatly impressive so much so, many students came thronging to him after the session to have a selfie with him as their role model motivator.

Our esteemed College Management Committee and also the administration should be acknowledged to have been so prudent in inviting this resource person for the eventful programme for the 10<sup>th</sup> consecutive year. We wish the training programme continues in the future years as well for the benefit of our students.
