# **STUDENTS ORIENTATION PROGRAMME**

## **REPORT (2023-2024)**

The Department of English (SFW) organizes the Students Orientation Programme to guide and assist students with their transition into Higher Studies. We provided students with different activities to welcome, transition and assist students in to a new educational experience; and also to create a comfortable learning environment through this opportunity. The purpose of the orientation was to familiarize the students with various aspects of the department, academic expectations, resources available, and to create a sense of belonging among the incoming group.
