## Report

The Department of Botany, Jamal Mohamed College (Autonomous), Trichy – 620 020. Organized a One day Hands on Training program on **Bonsai Methods to Cultivate Plants** under the DBT STAR College scheme on 19/11/2022. The resource person Mrs. **R. Bhuvaneshwari B.A., B.Ed.**, Bodhi Bonsai Nursery Garden, Old Palpannai, Tiruchirappalli – 620 010, trained our UG Botany students. Through these hands on training program, students inculcated knowledge on identification and selection of nursery plants to the art of Bonsai.

### Out Comes:

Students acquired knowledge on different skills adopted in nursery plants and also learned the methodology of Bonsai. This gives a strong self-confidence to become an entrepreneur in nursery techniques with the special reference to Bonsai art.
