REPORT (Lecture-5)

Placement Cell of Department of Chemistry, Jamal Mohamed College, organized a special lecture program for the women students of B.Sc., on the topic **“Careers in Chemistry”** on **16.06.2022 @ 3.30pm** at **LH-204**.

Dr. N. Mujafarkani, Placement Officer, Department of Chemistry (SF) delivered a lecture on “Careers in Chemistry”. The session mainly focused undergraduate chemistry majors begin to be concerned about career aspects for their chosen course of study. However, there are a number of other career paths available to graduate chemists. Some of these are described briefly and references made to additional resources.

Careers and career paths are an obvious to concern of all, not exclusive to, but especially to students. Completing your bachelors in chemistry can provide you with exciting employment opportunities across multiple fields in both the private and public sectors. In this session, the discussion is mainly focussed after UG chemistry graduation, list relevant career opportunities and explains how you can start your career after a B.Sc. Chemistry degree.

About 24 students of final year UG (Women) participated in the session. Participated students gained knowledge about deeper understanding of the various career opportunities in list relevant career opportunities and explain how you can start your career after a B.Sc. chemistry degree.

REPORT (Lecture-6)

Placement Cell of Department of Chemistry, Jamal Mohamed College, organized a special lecture program for the women students of B.Sc., on the topic **“Interview Preparation Tips”** on **17.06.2022 @ 3.30 pm** at **LH-206**.

Dr. B. Arifa Farzana, Placement Officer, Department of Chemistry (SF) delivered a lecture on “Interview Preparation Tips”. The session focussed on the discussion about minding their body language, introduce about themselves, making eye contact, being positive, hone their hand shake, accepting small gestures, being organized and polishing their resume. These tips were discussed in the session to improve their interview performance and how to answer the questions in a different way, how to face the interview and know what not to do, etc.

About 18 students of final year B.Sc., Chemistry (Women) participated in the session. Participated students gained knowledge about deeper understanding about the job interview and ensure to go with the right preparation.
