

JAMAL MOHAMED COLLEGE (Autonomous)

TIRUCHIRAPPALLI – 620 020.

B.Voc. (Bachelor of Vocation Programme)

Approved by UGC - (For Women only)

Education is for excellence. In order to make education excellently relevant and to create industry fit skilled super workforce, our College launches two skill-oriented programmes under the sponsorship of UGC KAUSHAL namely (i). B.Voc. Food Processing and Safety and (ii). B.Voc. Apparel and Fashion Design for the benefit of community. The Course pattern is given below:

Normal Duration	Exit Points / Awards
Six Semesters	B.Voc Degree
Four Semesters	Advanced Diploma
Two Semesters	Diploma
One Semester	Certificate

Both are vocational programmes of 3-years duration each. After qualifying for the degree a student can pursue her post-graduate course in the same /similar discipline. The programmes have been designed to enhance the employability skills of the student so as to fetch jobs easily on the competitive job-market. Further, the curriculum gives due importance for the development of entrepreneur skills in the respective fields so that the students may become promising entrepreneurs after acquiring qualification. The courses also provide flexibility to students by means of pre-defined entry and multiple exit points.

Food Processing Industry has a very good job prospects in India and abroad. The curriculum covers skill components in different areas of food processing Industries including Baking, Dairy, Fruit and Vegetable, Meat, Fish and Poultry, Spice and Condiments, Confectionery. Skills related to Beverages and Soft Drinks, Flavour, Quality Control and Food Packaging industries are also given focus in the syllabi. The programmes ensure that the students gain adequate knowledge and skills, in the above fields and become work-ready at each exit point of the programme.

Apparel and Fashion Design is always a skill based term with business sense. This curriculum covers the skill component of Fashion sketching, Apparel designing for kids, women's, men's, CADD, aspects need for Apparel Exports. In addition, this course develops skills related to sewing, processing, Quality Control and Management in Textile Industries. This Programme also ensures the students to become a leading successful entrepreneur or otherwise a skillful employee in the fashion Industry. A well-qualified, experienced and potential band of teaching fraternity dedicate their service to shape the students admitted in both courses.
